5 Robbed In New Wave of 24 Crimes

Madison Meat Plant
Hold Up; Burglars
Active over Weekend

An armed robbery of a Madison meat company and the theft of more than \$2000 worth of tools and metal from a machine shop in Madison highlighted a new wave of 24 weekend crimes reported to Quad-City authorities.

Four men armed with a sawed-off shotgun and the others with pistols—held up five employees of Hamilton Brothers Inspected Meat Co. at 1117 Greenwood street, Madison, shortly after 6 p.m. Thursday and escaped with an undetermined amount of cash, Madison police reported.

In addition to taking more than \$270 from the five persons working in the shop, the bandits also took a metal box containing the day's receipts, a briefcase, an electronic pistol and additional money from a cash drawer, police were told.

The victims said the four men entered the place about 6:05 p.m., immediately covered two of the workers in the front of the building and then later told two other employees at gunpoint as they came out of the back room.

While three of the robbers systematically robbed the four men employees of their wallets, and one of the wristwatches, the fourth ransacked the office where he took the purse of Mrs. Leona Hamilton and then later told police contained more than \$100 cash and a number of credit cards.

The bandits ransacking the office found the metal box with the day's receipts, took the cash out of the drawer and then ripped out the telephone wires.

Police reported the bandits took \$20 from James Rose of East St. Louis, \$21 and a wristwatch from Eil Brantley of 118 Briarcliff drive, a wallet containing \$9 from Raymond Lotz of 137 Briarcliff drive, and a wallet containing \$119 from Christ Hamilton, one of the operators of the meat plant.

At one point during the robbery, one of the bandits pulled a pistol to Brandis' head and cocked it, police said. As they completed the robbery, the bandits herded all five persons into a meat cooler and stacked sides of beef against it. The victims told officers it took them about five minutes to push the door open and they did not see the robbers leave.

One of the bandits was described as being about six feet, two inches, weighing 185 to 190 pounds, neatly dressed and about 20 years old. Another was described as about six feet tall.

Venice Delays Approval of Plan Contract

Approval of a proposed contract for preparation of engineering studies and work programs for a housing renewal project in Venice was delayed by the Venice city council at a regular meeting Friday night.

Action to complete the agreement was postponed until the council's Feb. 21 meeting after Mayor John E. Lee acted on a suggestion by Edward E. Juncos, city consulting engineer, that work to be done by a St. Louis planning firm be spelled out in detail in the text of the contract.

A copy of the contract between the city of Venice and the Leo A. Daly Co. of St. Louis, planning engineers, was submitted to the council for action Friday night as the result of recent meetings between Venice and Madison city officials and planning agents in which the two cities agreed to proceed with plans for replacing run-down properties in the community.

City May Build Homes
The program will be initiated under the Neighborhood Development Program Title I administered by the Federal Housing and Urban Development Dept. It is possible for the city to build a number of new homes to replace presently deteriorated structures.

The building work may be financed with private capital or city funds. The city may buy properties, lease the buildings, build new homes and offer them for sale to the original occupants of the site.

Terms of the contract provide that the Daly firm prepare maps, designs and work programs necessary to the project. Juncos told council members he believed the contract should be put to a referendum specifically and in more detail the work that the planning firm would do.

The contract provides for payment of \$1,440 by the city of Venice as its share of a total \$25,000 fee for both Venice and Madison. Madison will pay the balance of the fee. Cost to each city was determined on a per capita basis.

Payments on the contract are to be made by Venice in installments of \$250 in 30-day periods with a final payment of \$1,140 upon completion of all services by the firm.

Bridge Traffic Report
Henry McCullen, McKinley Bridge manager, reported to council members that a total of 261,493 vehicles passed over the bridge during January, a daily average of 8,435.

McCullen said bridge traffic totaled 55,055 vehicles during the first week of January, 39,700.

Quad-City Property Values Up \$8 Million

\$5 Million of Boost
Is in Granite City;
All Townships Raised

New 1968 Quad-City area property assessments against which tax bills will be extended for collection this year have been increased \$8,046,276 over those of the previous year, according to the 1967 tax year, according to assessment abstracts certified to the Illinois Department of Revenue by the office of County Clerk Eulalia Hotz.

The 1968 valuations for Granite City, Venice, Nameoki and Chouteau townships total \$28,905,025 compared to \$20,859,750 for the 1967 tax year, according to assessment abstracts certified to the Illinois Department of Revenue by the office of County Clerk Eulalia Hotz.

In Granite City township, Miss Hotz announced, the new assessment totals \$12,072,635, up \$5,100,000 over the 1967 valuation of \$6,972,635. Second largest increase is in Nameoki township where the new assessment totals \$3,532,510, an increase of \$1,841,410 over the 1967 assessment of \$1,691,100.

Venue Township Raised
Venue township has a 1968 valuation of \$2,883,260, up \$393,350 over the \$2,489,910 valuation of the previous year, while in Chouteau township the new assessment is \$26,402,620, an increase of \$11,165 over the 1967 valuation of \$25,287,465.

Tax rates for the 1968 tax year will be extended for all Quad-City and Madison county taxing agencies on the basis of new assessments as soon as the valuation abstracts are approved by the state revenue department and determination of the multiplying factor. Tax officials anticipated no difficulty in retaining the 1.0 multiplier since the assessment rates are in line with those approved by the state revenue department.

The Granite City valuation is finally determined by the board of assessors of the city, which is made up of three members, slightly from valuations fixed by the local assessors office. The review board increased the assessment of \$171,207,490 by only \$88,463 for a final value of \$171,295,953.

The total valuation in Granite City includes \$76,929,915 in personal property, \$14,995,170 in vacant lands, \$80,624,250 in lots and improvements, and \$27,300,000 in locally assessed railroad property.

Personal Property Up
Much of the increase in the Granite City valuation is in personal property assessments which stood at \$72,744,275 for 1967 year. Valuations and assessments rose only \$217,250, while values on lots and improvements were increased \$797,460.

Nameoki township's total valuation is made up of \$5,048,400 in personal property, \$1,175,170 in vacant lands, \$15,158,170 in lots and improvements.

Marine Skaggs Airlifted to Hospital in U.S.

Eight persons were injured
in 35 traffic crashes in Area
Result in 8 Persons Hurt

Marine Cpl. Gary L. Skaggs, 19, seriously wounded in Vietnam on Jan. 21, was airlifted during the weekend from a military hospital in Yokosuka, Japan, to the Naval Hospital in Philadelphia, Pa. He is the son of Mrs. Gladys Cousins, 2713 Washington avenue.

Although still on the critical list, the youthful Marine who has undergone amputation of both legs, was able to talk to his mother last evening by telephone and asked her to convey his thanks to all local residents who have sent cards and letters to him since he was wounded.

Cousins commented, "Gary said to thank everyone for all the letters. I have received so much mail and really appreciate it. He said he felt 'pretty chipper,' but expects to remain at the Naval Hospital quite some time for treatment of his wounds."

The mother said she is trying to make some arrangements to visit her son in Philadelphia. "When I mentioned possibly driving there, Gary told me definitely not to drive as there is too much snow. She noted that two letters recently received from Gary were written for him by a Red Cross aide at the military hospital in Japan."

Cpl. Skaggs suffered extensive shrapnel wounds Jan. 21 while in action with the 1st Marine Division and underwent amputation of both legs below the knee the same day. Amputation of the left leg and further removal of the right leg were performed in Japan on Jan. 25 due to extensive damage to arteries and infection.

The local serviceman was seriously wounded the first time on Jan. 28, 1968, when shot in the right hip by a sniper. He returned to his duty in Japan on Jan. 29, 1968, and was again seriously wounded on Jan. 29, 1968, when shot in the right hip by a sniper.

Friends may write him at: Cpl. Gary L. Skaggs, U.S.M.C., 236053, U.S. Naval Hospital, Philadelphia, Pa. 19145.

Barry Holt, 2616 Palmer ave., remove and replace roof and some siding, \$750; Virgil Copeland, 2805 Edwards street, remove and replace roof, \$1000. In addition, a permit was issued to Connie Bauer to raise a four-car garage on the site of the old garage on a lot of 5500 sq. ft. in the 10th ward.

Permits for other purposes were obtained by: Vasil Tarpoft, a 40x60-ft. shed welding shop at 1410 Edwards street, \$2500; Home Nursery, 2900 Madison avenue, a 6x8-ft. sign, \$400; Joseph Kony, a trailer on a tavern parking lot at 1800 Delmar avenue, \$7000.

Press-Record

Press-Record Staff
To Compile Results

The Press-Record staff will compile results of tomorrow's mayor primary election in Granite City. Election judges are requested to telephone the newspaper office (876-2000) about their tabulations of the information can be given to the public.

Polling places will be open from 6 a.m. to 6 p.m. Between 6000 and 8000 Granite Cityans — about one-third of the city's voter registration — are expected to go to the polls tomorrow to ballot in their first mayoral primary election.

The 28 precinct polling places in the city's seven wards will open at 6 a.m. and close at 6 p.m. Precinct election judges will tally the vote immediately after the polls close and report the results to the city of City Clerk Homer "Cal" Pendleton. They also are asked to call the Press-Record office—876-2000.

The light vote is anticipated by city election officials and political observers because only the office of mayor is involved in the primary. All other candidates for offices whose terms expire this year will ballot in a regular city election on April 1.

Must Be Registered
Voters balloting in the primary will be required to be registered with the county clerk's office for the first time in a city election. In the past, residents were able to vote if they were listed on a city voting list.

Three candidates are seeking nomination or election in the primary which is required this year under a city election statute providing that a community must conduct a primary election if more than two candidates seek office.

They are Clyde "Bun" Boyd, alderman of Granite City's Third Ward, incumbent Mayor Charles S. Burdell, 928 Alford street, and a city treasurer and "Ernie" Schellenger, who are listed on the single ballot in this year.

Under state law governing the primary, voters will nominate two candidates to compete for the office of city treasurer and one candidate for the office of city clerk.

Could Elect Mayor
They could elect the mayor, however, if results of the balloting gave over 50% of the total vote cast to any one of the candidates.

Granite Cityans who vote in the mayoral primary election tomorrow will be confronted with a number of "firsts" in voting procedure for city elections.

Tomorrow's Election Sets Several 'Firsts'

Granite Cityans who vote in the mayoral primary election tomorrow will be confronted with a number of "firsts" in voting procedure for city elections.

The primary, in fact, is a first in its history in several decades since in past years candidates for the mayor's office, regardless of number, ran only in the regular city election with the candidate receiving the largest number of votes declared the winner.

Granite City's primary election is required this year under a statutory amendment approved in a special legislative election for the city, which shall be held in all communities in which more than two candidates seek the office.

In another first in local city elections, Granite Cityans will vote in the First Ward, a city precinct within the wards.

In still another first, voters must be first registered with the county clerk's office, the same as in national, state, district and township elections, to cast a ballot in a city election. Jan. 13 was the deadline for registering or updating current registrations for tomorrow's primary.

Rule-Procedure Legal
The plan for voting was adopted instead of precincts was adopted by the Granite City council following a legal ruling by City Attorney Leon Scroggins that such a procedure is legal. Under this system, voters may cast ballots in any of the precinct polling places within the ward in which they live.

Under a resolution adopted by the council three weeks ago, there will be five polling places in the First Ward, four in the Second Ward, four in the Third Ward, six in the Fourth Ward, five in the Fifth Ward, three in the Sixth Ward and two in the Seventh Ward.

City election officials have anticipated several problems in carrying out such a system. First, they say, it is possible for a large majority of voters to vote in the Sixth Ward, which is a single precinct, overloading the election judges in that precinct polling place while the load remained extremely light in other polling locations.

In addition, the city clerk's office was required to print at least twice the number of ballots as there are registered voters in the city, a number of ballots could be delivered to the council three weeks ago.

Mayor Can Be Named If One Candidate Receives 51% of Vote

Between 6000 and 8000
Granite Cityans — about one-third
of the city's voter registration —
are expected to go to the polls
tomorrow to ballot in their first
mayoral primary election.

The 28 precinct polling places in the city's seven wards will open at 6 a.m. and close at 6 p.m. Precinct election judges will tally the vote immediately after the polls close and report the results to the city of City Clerk Homer "Cal" Pendleton. They also are asked to call the Press-Record office—876-2000.

The light vote is anticipated by city election officials and political observers because only the office of mayor is involved in the primary. All other candidates for offices whose terms expire this year will ballot in a regular city election on April 1.

Must Be Registered
Voters balloting in the primary will be required to be registered with the county clerk's office for the first time in a city election. In the past, residents were able to vote if they were listed on a city voting list.

Three candidates are seeking nomination or election in the primary which is required this year under a city election statute providing that a community must conduct a primary election if more than two candidates seek office.

Under state law governing the primary, voters will nominate two candidates to compete for the office of city treasurer and one candidate for the office of city clerk.

Could Elect Mayor
They could elect the mayor, however, if results of the balloting gave over 50% of the total vote cast to any one of the candidates.

There would be no mayoral election in connection with the April 1 municipal election when the city clerk, city treasurer and aldermen are to be elected.

Voters who are registered with the county clerk's office will be permitted to cast ballots tomorrow. They will be asked to sign an affidavit that they are duly registered before receiving their ballot.

It is expected that voters who are located in wards different than in previous elections due to the city's redistricting in the 1960s will receive changes in ward boundaries.

Voting will be by wards rather than by precincts as in previous elections. Voters may ballot at any of the precinct polling places located within the ward in which they live.

Ward Map Published
To assist voters in determining the ward boundaries, a ward map and a list of precinct polling places are published in today's issue of the Press-Record.

All three candidates have been waging active campaigns for the city clerk's nomination, climaxed last week by a public forum session in which the candidates outlined their plans and policies of administration before a crowd of nearly 700 persons. The forum was sponsored by the Tri-Cities Chamber of Commerce.

Tomorrow's primary is the first in the city's history for the office of mayor, city clerk, city treasurer and aldermen. A special election for nomination of a Democratic and Republican candidate for city clerk and alderman will be held March 11 in the 53rd senatorial district, which includes the four townships of the Quad-City area and six other Madison county townships. Five candidates will be on the ballot for city clerk and three of the Republican ballot, but one candidate on each ticket.

Country Valuations Hit New High; \$950 Million for '68

A record high property assessment of \$950,217,964 against which tax bills will be levied for collection this year, has been extended for Madison county for the 1968 tax year, County Clerk Eulalia Hotz announced.

The new assessment, which includes railroad and capital stock valuations determined by the Illinois Department of Revenue, is an increase of \$19,275,225 over the total county-wide assessment of \$930,942,739 for the 1967 tax year.

Miss Hotz said the new Madison county valuation includes local assessments of \$930,465,410 as determined by the board of assessors of the county, and \$484,553,554 in railroad and railroad property assessed locally.

A schedule of new personal property valuations shows an increase of \$22,820 over the totals levied by township assessors. Valuations extended by local assessing officials amounted to \$829,642,500. A year ago the board of assessors used the township assessors' total by more than \$15 millions in a ratio adjustment necessary to retain a 1.0 multiplying factor for Madison county.

Miss Hotz's tax department said new railroad valuations for the 1968 year were fixed by the state revenue department at \$13,125,000, a 10 percent constant annual decrease for railroad property valuations. The new figure is down from \$14,600,000 in 1967.

The \$900,465,410 in valuations fixed locally includes \$21,875,690 in personal property, \$235,619 in lands, \$422,175,145 in lots (which includes improvements), and \$795,455 in railroad property assessed locally.

The \$484,553,554 in valuations fixed locally shows an assessment of machinery and equipment at \$74,300,350 and assessment of public utility property at \$74,062,715. Merchandise and goods on hand is assessed at \$44,053,970 and personal property at \$38,581,000. Trucks, bus and trailer valuations total \$6,607,258. Household furnishings are assessed at \$19,450,620.

Expand Coverage Of Medicare, Price Proposes

Medicare coverage would be expanded to include all legislative proposals of Cong. Melvin Price, 4th Illinois District, at the 1967 Congress. His two separate proposals would extend medicare coverage to the majority of private health insurance and to state and local government employees not presently covered.

A letter to Chairman Wilbur Mills of the Ways and Means Committee, Price said, "I am submitting to you a bill which is evidenced by the fact that there are over 1.5 million people in the United States who are not receiving benefits who are not protected by medicare. He called for prompt need for medicare. Price continued, "It is clearly seen in the 1960 Social Security Administration study which disclosed that 20% of the group received care in short-term hospitals. Not counting those in long-term institutions, at least 50% of the disabled who were

'Choked Up' Collector Caused Fiber Fall Here

Granite City's street sweeping machine was dispatched to the West Granite area Thursday when a cyclone collector became clogged at the Union Division Plant of Miles Laboratories (Union Starch & Refining Co.), and showered a several block area with corn fiber particles. The particles fell on homes, lawns and streets and sidewalks. The collector separates air from solid particles—a by-product—and it became "choked up," a company spokesman said.

Mrs. Lulu Richards, 88, Dies; Former Resident

Mrs. Lulu Richards, 88, of Summerville, Mo., a former Granite City resident and the mother of Mrs. Frank (Vera) Farrow, a teacher at Nameoki school died at 4 a.m. today at her home.

In ill-health for several months, Mrs. Richards had been seriously ill the past two weeks. She was born in Oskoda, Mo., but had lived almost her entire life in the Summerville area.

Between 1945 and 1955, Mrs. Richards had resided here with Mr. and Mrs. Farrow, and had attended Niedringhaus Memorial Methodist Church. A son, John Richards, who also resided in Granite City, died in 1962, and Mrs. Richards' husband, Guern, died one year later.

Beside her daughter, here, Mrs. Richards is survived by two other daughters, Mrs. Ralph (Vivian) Pudget of West Plains, Mo., and Mrs. Lora (Margaret) Bell of Summerville; five grandchildren, including Mrs. Eugene (Linda) Swanson of Granite City, and Jack Farrow, a student at McKendree College, Lebanon, and four great-grandchildren.

Other local survivors include a niece, Miss Annellen Smith, and three nephews, Clinton Kenton and James Carroll Smith, all of Granite City.

Funeral arrangements are pending at a Summerville funeral home.

Man Pinned by Truck

James Steel, 26, of 2616 Forest avenue, an employee of McDonald's Drive-In, complained of pain in the lower abdomen after being pinned against a wall by a truck Friday afternoon. He was treated at St. Elizabeth Hospital and was released.

Coroner Office Reports On 4 Local Inquests

Coroner Robert Thomas reported over the weekend the results of several inquests conducted at his offices with a jury.

A verdict of death from natural causes (pneumonia) was returned in the Dec. 10 death of Kevin L. Turner, 22-day-old son of Mr. and Mrs. Edward Turner, 2127 Lincoln avenue, who was found dead in his crib.

Accidental death caused by multiple injuries suffered in an auto crash at Pontoon road and Division street on Jan. 6 was returned in the death of David L. Walker, 20, of 4140 Division street.

The jury ruled death by natural causes (bronchopneumonia) for Henry Hill Jackson, 62, of 2849 Harding blvd., who had been ill with the flu and died at home Dec. 31.

In the death of Mrs. Vera Deuschman, 51, on Jan. 22 at her home, 2233 Dawn place, the jury set the cause as toxemia poisoning with an open verdict.

Deputy Collapses

Clyde Tisdell of Bethalto, Madison county deputy sheriff, collapsed of an apparent heart attack at about 3 p.m. Friday while on duty in the sheriff's office in the courthouse at Edwardsville. He was taken by ambulance to Wood River Township Hospital. Associates reported he has had a heart condition.

Charges Dismissed In Burglary Case

Burglary charges against two 17-year-old boys arrested in Madison Dec. 22 following a break-in at the Derby Station Route 263, were dismissed in magistrate court at Edwardsville Thursday.

The charges, filed against Michael Stief, 17, of 714 Twenty-Sixth place, and Gary Underwood, 17, of St. Louis, were dropped when the principal witness in the case failed to appear and could not be located, according to State's Atty. R. W. Griffith.

The boys were picked up by Madison police walking on top of the McCambridge avenue viaduct a short time after the burglary occurred. The youths said their car had ran out of gasoline, and they were looking for a filling station. Griffith said the witness in the case, an attendant at the Derby station, does not work there now and has moved from his former address.

Auto Stops, Struck

While stopped in a traffic lane, the rear of an auto driven by Mabel Symonds, Granite City Army Depot, was struck by a hit-and-run driver at 5 p.m. Thursday in the 2000 block of Missouri avenue.

Hit-Run Accident

A car driven by Jerry Swiatek, 2314 Lincoln avenue, was damaged on the left side when struck by a hit-run auto at Edwardsville road and Alton avenue in Madison about 2 a.m. today, Madison police reported. Officers said Swiatek was headed south on Alton avenue and was making a left turn onto Edwardsville road when his car was struck by a black and yellow 1968 model auto that fled the scene.

Stolen Car in Crash

An auto belonging to Donna Squires, 2445 East 24th street, which was reported stolen on Saturday, struck and damaged the front end of a parked car owned by Van Puryear, 2519 Edwards street, at 9:40 p.m. Sunday. The driver of the stolen vehicle fled the scene on foot, police said.

THIS IS OUR MAYOR? EDITORIALS

THIS IS AN EXAMPLE?

Madison County offered a questionable incentive to respect for law and established authority early Sunday morning down at Venice.

Of all places, it occurred at a firemen's benefit dance.

It was a fist-swinging brawl—in an American Legion Post hall—that ended up in threats to take the mayor of a neighboring town to jail.

There should have been no excuse for such a development.

Members of officialdom, even more than most people, should maintain conduct that, as far as possible, is above reproach.

Despite the example, we would urge that members of the younger set, whose strong inner urge often drives them into trouble; and members of the minorities whose quest for what they deem their rights often stirs up violence these days look the other way and forget they knew anything about the Granite City Firemen's Brawl.

If these two groups, who so often are accused of being "problem children" in our modern age, should retain the memory of the firemen's flare-ups, we hope it will be with a resolve to do better than the officials who should have been setting the example.

in lots and improvements and \$211,900 in locally-assessed railroad property. The Nameoki assessment fixed by the board of review actually was a decrease of \$28,625 below the assessments made by the town.

The new Chouteau township valuation includes \$7,263,850 in personal property, \$7,802,750 in vacant lands, \$11,097,000 in lots and improvements and \$149,030 in locally-assessed railroad property.

In Venice township the 1968 valuation is made up of \$29,616,850 in personal property, \$10,867,800 in vacant lands, \$22,535,910 in lots and improvements and \$73,150 in locally-assessed railroad property.

Federal Seminar on Business Topics Set

A seminar for Southern Illinois business and industrial representatives will be held Tuesday, Feb. 18 at the Granite City Army Depot. It was announced today by Col. Charles E. Hoskin III, chairman of the Federal Executive Board of St. Louis, which will sponsor the discussions.

The seminar will convene at 9 a.m. in the conference room of Building 100 at the Depot and will consist of morning and afternoon sessions of approximately three hours each.

The program is planned to aid those doing business and those interested in doing business with the federal government. Topics to be considered at the seminar include procedures of filing out bid forms, contract clauses and small business opportunities.

RECEIVING SECRETARIES AWARD. Mrs. Joy Augsburg, on left, receiving an award, clasped on her wrist from Mrs. Wilder McShane, right. Gerald Walters (center), Army Depot safety director, was speaker at the meeting.

Secretaries Award to Mrs. Joy Augsburg

Highlight of the February dinner meeting of the Tri-Cities Chapter, National Secretaries Association, held Thursday evening at the Officers club of the Granite City Army Depot, was announcement of the winner of the Chapter's "LACE" award for 1968, Mrs. Joy Augsburg.

Mrs. Augsburg, secretary to Paul Kemp, plant manager of the A. O. Smith Corp., was the seventh member to receive this award, which is original with the local chapter.

Qualities which influence the choice of the members are based on the letters L (liked by all members); A (active in all chapter projects); C (cooperates in every way); and E (enthusiastic about the National Secretaries Association).

The first recipient in 1963 was Mrs. Mary Sedekum, now a partner in Amco Plumbing Co., Granite City.

A three-year member of the Tri-Cities chapter, Mrs. Augsburg is the wife of Wayne Augsburg. They have two children, Debbie, a junior at Edwardsville high school, and Wayne Jr., a sophomore at SIU, Carbondale. The Augsburgs live in Glen Carbon.

She is presently completing her final course and will be awarded the Industrial Management Certificate at SIU-SW in June. She will be the third woman out of 400 individuals who have earned this certificate.

The program was on safety, and talk was given by Gerald Walters, safety director of the Granite City Army Depot. Prior to going to the Depot, Walters spent more than 15 years in safety and personnel work in private industry. He commented in his talk, "Industry is far behind government in the matter of safety training."

"Great progress has been made in the field of safety by government and private industry," he said, "but there is also great room for improvement, and we must improve."

"When man finally realizes the importance of safety training, and starts graded courses in the subject in the very first year of formal education, progressing to more complex factors in the higher grades, then and only then will those of us who have dedicated a greater part of our lives to this endeavor feel that the road of progress is being paved."

\$4.7 Million 1968 Bond Sales In This County

Madison county residents purchased a total of \$4,700,000 in series E and H United States savings bonds and Freedom Shares in December, and total sales in the county for 1968 were \$4,500,000, Henry D. Kierulff, of Granite City, general county chairman of the savings bonds committee, has announced.

Sales for December in Illinois were \$228,724,790, 2% above the previous December. Illinois sales for 1968 were \$335,556,275, down 4.2% from the 1967 total. This represented 6.7% of the national total of \$4,972,000,000. Cash value of savings bonds and Freedom Shares outstanding at the end of the calendar year was \$35.2 billion, an all-time high.

Madison county breakdown for December shows \$328,397 sales of E bonds, \$14,983 Freedom Shares and \$16,590 H bonds.

For 1968, Madison county ranked 32nd of the 102 Illinois counties through attaining 86.3% of its designated quota.

Census Bureau Plans Questions on Jobs

A sample of residents in this area will be asked about their work experience during 1968, as part of a nationwide survey the week of Feb. 17, Director Theodore F. Olson of the Bureau of the Census Regional office in Chicago announced.

Questions will be asked about the number of weeks worked last year, the number of weeks lost because of unemployment or other reasons, and the longest job held during the year.

The survey is taken annually this time to provide data for use by the U. S. Department of Labor. The questions supplement the Bureau's regular monthly inquiries for the Labor Department on current employment and unemployment.

The identity of households in the survey is confidential, and the information obtained will be used for statistical purposes only.

\$100,000 Suit Filed

A suit for \$100,000 was filed last week in Madison county circuit court for Joseph Jackovich Jr., against James C. Jones, a driver, and Mandel C. Jones, listed as the owner, of an auto which collided with a motorcycle operated by Jackovich May 26, 1967, along Nameoki road. Full damages, negligence was charged and severe and permanent injuries were alleged.

Policemen Are Sought For Washington, D.C.

The nation's capital has an urgent need for policemen to combat the rising crime wave. A career as a policeman in Washington, D.C., offers the chance to serve law and justice and also offers the opportunity to rise in professional ranks of law enforcement, a federal spokesman said today.

Beginning salary is \$8000 per year, with increases up to \$10,300 per year. Also, as Congress votes increases in salaries for federal workers, the capital police salaries will also be increased. Further information is available from John T. Larkin, Examiner in charge, at the Main Post Office, 750 Missouri avenue, East St. Louis.

TOP SCORER AND TOP REBOUNDER for the Madison Trojan basketball team bring down this defensive rebound here Friday evening. The local squad downed Midwestern Conference rival Highland 80-59. With the ball is Eddie Hilton (42), assisted by John Harper (52).

TWO-HANDED JUMP SHOT by Tropan Bill Cannon (50) in action against Highland at the Madison gym Friday evening. Waiting for a possible rebound are Eddie Hilton (42) of MHS and Dave Nickerson (35) of Highland.

FIRMLY GRASPING the basketball despite the defensive efforts of Lincoln's Larry Jackson (43) is Venice Red Devil Bill Guffey (44). Red Devil Marvis Soultis holds out his hands in case Guffey needs help.

SEA OF HANDS at Venice high school Friday night as control of a rebound sought by Red Devils' Fessor Gray (12) and Bill Guffey (44) and Lincoln's Eric Johnson (35) and Gary Brooks, the fourth cager in the picture.

Alert Trojans 'Steal' Fans' Hearts, 80-59

Couch Bob Page of the Madison high school basketball team concluded, "We were lucky to win this game when you consider how much fouling we did in the last three games — 90 times." Twenty-six of the fouls were against Highland here Friday night, but MHS prevailed 80-59.

The victory brought the Trojans' season record to 7-12 and their Midwestern Conference record to 3-3.

Madison led 23-11, 34-19 and 56-42 at the quarters.

The Trojans controlled the boards, getting 35 rebounds to Highland's 18. Joe Dozier led with 12 rebounds and John Harper got nine, with five each by Bill Cannon and Oscar Hagler. Pointmakers were Harper 16,

Dozier 15, Jim Scott 13, Cannon 10, John Ervin eight, Ed Hilton and Dave Hutchinson six each. Hagler four and Howard Harper, two.

Couch Page noted, "We began getting into foul trouble in the second period but fortunately Highland had a poor night in its free throw shooting. Hilton, Dozier and Ervin had fouled out by the middle of the third quarter.

"Cannon sank six free throws in the last period to help maintain our momentum.

"We won mainly by being more aggressive. Scott stole the ball nine times and either went for a layup or fed the ball to someone else for a shot. We also outjumped them under the baskets."

County Jr. High Meet At Prather

Prather junior high will be the site of the Madison County Junior High School Conference basketball tourney starting tomorrow at 5 p.m., when Grigsby plays Collinsville Webster. The hosts will meet Collinsville North at 6:15 p.m., and Edwardsville will play Roxana at 7:45.

Play will resume Thursday with Coolidge tackling either Grigsby or Webster at 6:15 and the other semi-final game following at 7:45.

Third place will be decided in a game at 6:15 p.m. Friday and the championship at 7:45 p.m. Friday.

Free throw competition will take place at the halftimes of the three games tomorrow for representatives of North-Prather, Edwardsville-Roxana and Webster-Grigsby. In that order, Coolidge free throw shooting will take place about 8:20 p.m. Thursday.

The meet is back at Prather for the first time since 1963, when the first annual tourney was held.

Ron Perkins, 4236 Division street, finished sixth in a 50-lap sprint car feature race at Tampa, Fla., yesterday. He won one heat race and qualified for 12th spot in the feature lineup.

Tigers in Catbird Seat But GC Hope Still Alive

It probably will have to be "wait until next year" at GCHS as far as the Southwestern Conference basketball championship is concerned. The Warriors thrashed East St. Louis 81-65 here Friday but lost 66-46 Saturday at Edwardsville as the Tigers (18-1 and 9-0) assured at least a tie for the title.

But the Warriors, 16-5 and 7-3, can look back to one of their best seasons in many years. And they can look ahead to regional play, where they are favored to meet the Tigers for the championship at Wood River March 7.

To set up a regional title clash, Granite City would have to eliminate Roxana and either Alton or Madison, and Edwardsville would have to oust Marquette and either Collinsville or Wood River.

In league play, Edwardsville has yet to meet Belleville West, Collinsville and East St. Louis, while GCHS is to play Wood River and Alton.

Alton and Collinsville are both 6-3. The Redbirds will meet Collinsville, Belleville West and Granite City, while the Kahoks will oppose Alton, Edwardsville and Wood River.

Gain Early Lead

At Edwardsville, the Warriors led 14-13 after the first period and were tied 27-27 at the half, but trailed 44-32 after the third quarter and were hammered 22-14 in the final period.

The Tigers shot 78% from the field, sinking 25 of 32, including a torrid 86% on 18 of 21 in the second half. They had an 18-4 edge in rebounds, Dave Melzer leading the Warriors with five.

Scorers were Gary Simpson 20, Steve Harris 11, Melzer 10,

Jeff Boyles three and John Van-Buskirk, two.

"We shot the poorest we have ever shot," Coach Donald Detorling summed up. In the third quarter which was decisive, we were limited to five free throws and no field goals.

"Both teams played exceptional basketball in the first half, but when our shooting went cold they got too big a lead for us to overcome."

GCHS accuracy fell from 66% in the second half. Ten shots were tried during the third-quarter slump, some rolling off the rim and others missing entirely. Even two layups missed the mark.

Although tallying five free throws in the third period, the Warriors missed five others on situations where they would have received bonus shots.

38 for Simpson

It was a happier story the previous night when Simpson poured in 38 points, VanBuskirk and Harris 14 each, Melzer nine and Boyles, Rich Hutchings and Rick Thompson, two each.

Simpson hit 15 of 27 from the field and two of two at the line. Harris captured nine rebounds and Melzer eight as GCHS controlled the boards 28-26.

The Flyers committed only six fouls and the Warriors scored only five free throws, but they shot 56% from the floor while forcing East St. Louis to settle for long shots.

It was small consolation after the loss Saturday night, but the Edwardsville athletic director sent a message to local fans commending them on their "excellent behavior" in the crowded Tiger gym. Granite City Athletic Director Joe Fedora agreed, saying, "We lost the game but not our self-respect."

Mat Braves Second In 8-Team Tourney

Coach Bob Moske's Coolidge junior high school wrestling team placed second in the first annual Cross Keys invitational tournament Friday and Saturday at the St. Louis county school.

The Braves had completed a dual meet season of 12-5, tonight they meet Prather and Grigsby at 6 o'clock at the GCHS gym.

Riverview East, which had seven wrestlers in the finals, won the tournament with 108 points, Coolidge had 73, Cross Keys 62, Hazelwood 58, Northwest 55, St. Louis University high 52, Pattonville 277 and St. Charles 0.

Coolidge champions were Chris Hartzel (87) W 9-0, 5-0 and 8-5, and Doug Wilson (120) W 11-2, 7-2 and 4-2.

Second place finishers were Craig Stephens (heavyweight) W on forfeit, W 3-1, L 10-1; Rick Kayser (127) W 4-20, W 5-2, L 1-02; Jeff Worthen (138) W 2-1, W 3-1, L 5-1.

Third places were taken by Jim Robbers (180) W 5-25, L 4-1, W 6-25, and Mike Willis (65) W 5-3, L 8-2, W 3-1.

Other competitors were Kevin Niebur (100) W on forfeit, L 6-0; Craig Tarpoff (120) L 10-0; Dave Serlich (145) L 3-38; Larry Means (154) L 2-24; and Dennis Bailey (1-65) W 6-0, L 5-0, L 8-0.

Sacred Heart Cagers Gain Fifth Victory

The Sacred Heart basketball team defeated St. Margaret Mary 57-19 Sunday afternoon at the Glen Carbon gym in CYO league playoffs. Roger Laws paced the losing squad with 11 points and Steve Pischelinski added six. Ed Haganaager scored 22 for Sacred Heart, with Terry Balcer and Rick Schardan each adding nine.

The win brought the Sacred

Red Devils Drop 77-65 Home Game

Coach Bill Ohlendorf's Venice high school basketball team found itself outmatched in Friday evening at home, losing to Lincoln of East St. Louis 77-65.

"We had difficulty keeping up with them once they worked the ball in under the basket," he noted. Wiley Barnes, a 6'2" forward, cashed in on frequent tap-ins.

Quarter scores were 20-20, 42-34 and 61-48.

Fessor Gray, top Red Devil scorer this season, made 14 of his points in the first quarter, but was held to a single point in the second quarter and finished with 29.

"For us to be able to win, we've got to shoot well. Usually we sink about 44% of our shots, but against Lincoln we dropped to 34%," the coach reported.

"Both teams played about the same type of offense, except that they worked to Barnes on the inside, and we shoot from the wings. The defense was different; we play man-to-man and they used a zone. We both used a fast break."

Others scoring were Doug Johnson 16, Larry Mosby 11, Cedrick Gardner four, Marvis Hoult three and Harold Gonterman, two.

Heart record to 5-2. With a victory over Collinsville next week, it would travel to Springfield the following week for division playoffs.

Park Softball Season To Be Planned Tonight

The second part of a two-step program will take place this evening at 7 at the Community Center, where managers and coaches of teams in the Granite City park district softball program are to meet to make initial plans for the coming season.

First part of the program was held last week when baseball managers met and registered their teams.

The slow-pitch softball program is broken down into eight divisions consisting of Class A, Class B, Class C, Church, High School Girls, High School Boys, Women and 35 & Over men. In addition, there will be a fast-pitch league if enough teams and players are interested.

The only fast-pitch team last season was Mathews Chevrolet, which had to play all exhibition games. However, two years ago, the park district had its own fast-pitch league.

Harold Brown, park superintendent, said, "I urge anyone interested in managing or coaching a team in this summer's softball program to attend this special meeting. It is the best time to register and get an idea of how large our programs will be this season."

Last year, the softball program had 54 teams.

THIS IS OUR MAYOR?

REPRINT FROM ANOTHER NEWSPAPER

VENICE—A Venice policeman was attacked in a wild, fist-swinging brawl at the Granite City Firemen's Dance early Sunday where the Granite City Mayor Donald Partney was threatened with a trip to jail, police reported today.

Venice policeman Mervyn Langston, 34, was severely injured in the left eye by a 220 pound brawler in the wild melee which erupted into a bottle-breaking, head-busting affair at Venice American Legion Post 307, police said.

"The hefty fighter, Stanley Lucas Jr., 30, of 736 Ashland, Granite City, was hauled to the police station and charged with aggravated assault, for the attack on the policeman.

Lucas, a 6 foot two, 240 pounder, was also charged with resisting and obstructing with resisting and obstructing police officers Langston and James Cooper who waded in to the fist-swinging melee to subdue brawlers with the new chemical mace, a substance which makes even the big fighters fall hard.

Venice police who arrived at the scene of the disturbance found a Granite City fireman and policeman, who attended the affair holding Mayor Partney against a wall. When Officer Cooper attempted to talk to Mayor Partney he "laughed at me" and said he wasn't afraid of the police, Cooper said in his report.

When Cooper threatened to put Partney in the Venice Jail, more firemen and policemen grabbed the mayor and took him to one side, police reported.

Senate Candidate Pledges Support Of Area Airport

Support of a program for installation of a second major airport in the Illinois area of the metropolitan region was pledged today by Dr. Patrick Riddleberger, Democratic candidate for nomination as senator of the 53rd Senatorial District in the March 11 special district primary.

Dr. Riddleberger, professor of history at Southern Illinois University, Southwestern campus, said that if nominated and elected to the senator post he will support or introduce legislation necessary to the airport project.

At the same time Riddleberger said one of his first moves would be to call for immediate release of the \$50,000 appropriated a year ago for a detailed area airport study.

"A study of Chicago's O'Hare Airport shows that it has resulted directly in the creation of some 35,000 jobs, in addition to the thousands of jobs from related construction trades," Riddleberger said.

"The establishment of such an airport in the Illinois area would be a great inducement to other industries to locate here—especially if air freight facilities are provided," the candidate added. "Informed sources show that air freight has increased by 400% nationally during the past six years."

He said legislation to bring a major airport to this area should provide for superconic transportation, for zoning to protect residents from excessive noise, and for ample space to accommodate commercial and industrial expansion.

Slimettes Cancel Class, To Resume Feb. 19

Due to school closings Wednesday for Lincoln's birthday, the Slimettes Class, a Granite City park district winter program, will not meet, this week, Harold Brown, park superintendent, said today.

Classes will resume Wednesday, Feb. 19, at Niedringhaus school, where weekly sessions are held from 8 to 9:30 p.m. Women interested in joining the group may still register during the sessions.

The Slimettes program, designed for adult women of any age, is available to park district residents without cost. Activities include exercises, volleyball, basketball and square dancing. Between 25 and 30 currently attend.

Faculty, Students to Aid SIU-SW Radio Programs

"We intend to encourage faculty and student participation in programming our new frequency modulation radio station at Southern Illinois University-Southwestern campus," reports John Rider, director of Broadcasting Service and chairman of the mass communications faculty at SIU-SW.

Approval recently was received from the Federal Communications Commission to operate an educational station on channel 204 (88.7 megahertz). Broadcast range, Rider said, will be about 60 or 70 miles. Included in the programming plans are music, live sports, news, live concerts and possibly a "lecture of the week."

The station will be on the air 18 hours a day, seven days a week. Elaborating on the proposed radio entertainment, Rider explained that the station plans to cover not only SIU-SW campus team events, but sporting events of area high schools as well.

The department chairman said that the station will be operated primarily by students. "We hope to have between 50 and 60 students involved," Rider added. The University has proposed the call letters WSEI-FM for the new facility.

Under Rider's supervision as chairman of the broadcasting facility program committee, planning is under way for functions of the transmitter building. "Then comes purchase and installation of the transmitter tower and materials necessary to go on the air. Deadline for the construction permit is Sept. 28."

Summer School Experiment Brings Results in Winter

Happiness is getting back at a date, time and wind direction to determine how far the balloons traveled in the hope that they will return.

Carl was among a group of pupils involved in the Granite City school district's summer program for gifted children at Prather junior high school.

During the summer session, he participated in a balloon launching science project devised and supervised by George Amisch, a Niedringhaus faculty member who taught in the special program.

The youthful class members conducted various basic experiments, including filling nearly 60 balloons with gas and launching them into the atmosphere. Each was labeled with a bright orange cardboard tag and the children also placed their names and addresses and the school address inside the balloon, written on tissue paper.

Carl's balloon was found last month, hanging in an Ash tree, by Thomas J. Goldsmith of Oconee, Ill., a small community about 65 miles from Granite City. The finder returned the tag to the boy, mentioning that the balloon's remains appeared to have been lodged in the tree for quite some time.

Another balloon was found late last year near Shawneetown, Ill., in the Ohio River bed area, and the tag returned to Prather junior high school, Amisch said.

Initially, the balloons were filled by the pupils with helium gas generated from a zinc and acid mixture, but later on the experimental project was switched to safer natural gas, obtained more easily from outlets in the Prather JHS laboratory.

The flying balloons were launched on different days in July and August, depending on prevailing wind conditions. Pre-

vious records were kept on the date, time and wind direction to determine how far the balloons traveled in the hope that they will return.

Regular size balloons, the kind which may be purchased at a corner store, were used in the project, Amisch said.

A son of Mr. and Mrs. Claude Bandy, 2745 Ralph street, the youngster is most interested in all aspects of science and any type of experiment, his mother explained.

"The basement at home is full of spiders, live and dead ones, and he takes battery-operated and electrical toys apart and re-assembles them into other workable objects," Mrs. Bandy commented. She noted that the boy recently fashioned a whirling device, using parts of a small model racing car, which keeps a younger Bandy child occupied for hours.

Carl received a microscope for Christmas and is delighted with his mother said, adding that the youngster had wanted a chemistry set.

"We decided he could wait a year or two for chemistry equipment, as a boy who lives down the street nearly blew up his house one day, so we think that Carl should wait until he's 11 or 12 years old and better equipped to handle one."

The local family is planning to write Mr. Goldsmith and thank the Oconee resident for returning the balloon and also explained to him about the experiment, Mrs. Bandy said.

John Lewis, 67, Dies After Lengthy Illness

John H. Lewis, 67, of 5966 Lakewood drive, died at 7:10 p.m. Friday at St. Mary's Hospital, East St. Louis, following a long illness. He had been hospitalized since 1965.

A semi-retired auto mechanic at the M. E. Miller Motor Co., East St. Louis, Mr. Lewis had resided in the local community for the past 23 years. He was born in Golden Gate, Ill.

He was a member of St. Elizabeth Catholic Church, the Holy Name Society and Machinists' Union District Nine.

Surviving are his wife, Mrs. Virginia Lewis; two daughters, Mrs. Nadine Cobb of Granite City and Mrs. Betty Redburn of Clayton, Mo.; two sisters, Mrs. Celia Scott of New Madrid, Mo., and Mrs. Florence Lucas of Flint, Mich.; five grandchildren and four great-grandchildren.

Funeral arrangements are given in today's obituary column.

Two Men Cut Fingers, Treated at Hospital

Two local men were given treatment at the St. Elizabeth Hospital emergency room Friday after suffering lacerations to the left middle fingers while working.

Treated and released were Thomas Bushong, 32, of 3105 Wayne avenue, employed at Granite City Metal Decorating Co., and Jesse Cole, 27, of 1708 Cleveland blvd., employed by Jensen-Wright Corp.

MORE THAN HE BARGAINED FOR was what Joey J. Connor, two and a half years old, received during a mid-winter stay at St. Elizabeth Hospital. Admitted for treatment of pneumonia, he also was given his first haircut as an aid in caring for him during the ten-day period.

He was not a "long-hair" musician, but his parents, Mr. and Mrs. Albert Connor, 2903 Harding blvd., earlier had not had the heart to cut the long blond curls of the youngster, their twelfth child.

Gerald Walston Hurt When Plane Crashes

Gerald Walston, 19, Alton, was injured at 9:30 p.m. Friday when a plane he was flying crashed after takeoff from the Monmouth Airport at Monmouth, Ill.

He is the son of M. D. Walston, a member of the board of directors of the Granite City Trust & Savings Bank and manager of Civic Memorial Airport near Alton.

He was attempting to bring the plane, a two-engine Cessna, back to Alton after one engine had failed. A student at Monmouth College, he was admitted to the Warren County Hospital with head cuts.

Police Direct Traffic Around Pontoon Gates

A line of railroad cars left without an engine in the vicinity of 25th street Friday evening apparently caused the Pontoon and crossing gates to remain lowered. Police went to the crossing to direct traffic and also notified railroad authorities.

Police also were dispatched to check the Pontoon crossing gates Saturday afternoon. Harlan Hitt, 1538 Garfield avenue, was arrested at 1:15 p.m. Saturday on a charge of driving around lowered gates at the 22nd street crossing.

Sign Vandal Reported

Granite City Police were unable to locate a white pickup truck reported to have been used Friday evening in the West Granite area to haul a w.y. Boyd for mayor signs. The truck driver allegedly was removing the signs from yards without the property owners' permission.

\$10 Millions Set Up in Bill for Con-Con Expense

An appropriation bill setting up a total of \$10,360,270 for expenses of the Illinois Constitutional Convention has been filed in the Senate at Springfield.

If approved, the measure would provide \$2,880,270 for salaries and expenses of 116 convention delegates and \$7.5 millions for the cost of electing delegates.

Another bill has been submitted calling for the election of two delegates from each of the state's 58 Senatorial Districts on a non-partisan basis.

This bill also fixes the primary election date for nomination of delegates on Sept. 9, and the general election on Oct. 28, with the convention opening date scheduled on Nov. 17 in the House Chambers in the state capital.

Delegates would receive \$1500 per month and expenses for a period not exceeding eight months.

The service appropriations committee has approved for passage a \$110 million deficiency appropriation for public aid purposes until June 30.

The additional funds are needed, aid officials said, because of increased public aid rolls. About \$39 million of the amount will go to Aid to Dependent Children recipients.

Other bills introduced include one that would allow school board members to hold closed sessions to discuss matters relating to special education programs or facilities.

Another provides that a hearing on the removal or dismissal of a teacher would be held by an officer appointed by the state superintendent of public instruction, rather than before boards of education.

Two Cars Damaged

Cars driven by Bobby H. Sales, 2117 Delmar avenue, and David Painter, 2580 Boyle street, were damaged at Fourth street and Broadway, Venice, at 7:50 p.m. Friday. Police said Sales, whose car was damaged in the right front, was headed east on Broadway and Painter was driving west and making a left turn into Fourth street when a collision occurred. Painter's car was damaged in the right rear.

Accident Victim Files Suit for \$250,000

A suit for \$250,000 was filed last week in Madison county circuit court for August G. Schalkman of Granite City against Imperial Metals & Chemicals Co. and Leonard Davis and Loren Davis as the Davis Funeral Home.

The complaint specified that Schalkman, employed as a state driver's license examiner, was assisting at a funeral cortege when he was struck by an Imperial truck at Interstate 270 and Route 203 last Dec. 5, resulting in severe and permanent injuries, including the loss of a leg. The Davis firm was in charge of the funeral.

City Cleans Air Board Meets This Evening

Granite City's Air Pollution Control Board will meet at 7:30 this evening in the city hall to hear a report on the federal air quality region outlined last month for the two-state metropolitan area and to a report on a variance request by Lipsett Steel Co.

The meetings usually are held in the mayor's conference room or in the council room, both on the third floor of the city hall.

There's An Old Adage:

"Sticks and stones may break my bones, but names will never harm me."

The remarks made against me by other candidates for the honorable office of Mayor of Granite City are best refuted with written, "on the record" facts.

The letters of endorsement shown below from various unions, which represent the people of Granite City who are skilled craftsmen working through these unions, indicate the true feeling of a preference for Mayor.

No union lightly endorses any candidate for any office since the reputation and integrity of the union rides with the candidate's qualifications.

Dear Don:

I wish to thank you for your assistance in recent negotiations between my Union and Granite City. I believe that much progress has been made for wage earners under your administration as mayor with the assistance of a majority of the City Council which certainly is not unkind of the needs of its employees.

Wages in the disposal plant have advanced from degrading to competitive levels and our requests for improved safety and working conditions have been received sympathetically by you and you have acted to make our requests effective within the limits of your office.

Of direct interest to my Union is the fact that your administration has recognized our need for a signed Memorandum of Agreement.

I extend my grateful appreciation and personal best wishes to you.

Sgt. Dillard's Brigade Awarded Gallantry Cross

Historic Hue Citadel, the ancient capitol of Vietnam, recently was the setting for presentation of the Gallantry Cross with Palm to the 1st Infantry Brigade of the 5th Infantry Division by the government of Vietnam.

A member of the Brigade is Sgt. Billy M. Dillard, son of Mr. and Mrs. J. J. Dillard, 2615 Hodges avenue, who has been with the unit since it reached Vietnam on July 23 from Fort Carson, Colo.

The award was presented to the Brigade and its commander, Col. James M. Gibson, by General Cao Van Vein, chairman of the Vietnam Joint General Staff.

The citation accompanying the award read in part:

"The Gallantry Cross with Palm is awarded to the 1st Infantry Brigade, 5th Infantry Division (Mechanized) for many operations in the demilitarized zone that caused huge losses both in personnel and weapons to the communist aggressors."

"Particularly significant were operations at Con Thien and Kink Mon, during which this unit killed 380 enemy and 83 weapons of various types were captured."

Sgt. Dillard was graduated in 1965 from Granite City high school and entered the Army in June 1967. Upon his return from Vietnam and discharge from the service in June, the serviceman

GC Steel Boosts Prices on Hot Rolled Items

Granite City Steel Co. on Friday announced increases in base prices on hot rolled bands and hot rolled sheet to go into effect with shipments of Monday, Feb. 17.

The base price of hot rolled carbon steel bands will be increased to \$6.20 per 100 pounds from \$5.50 per 100 pounds. The base price of hot rolled carbon steel sheet will be increased to \$4.65 per 100 pounds from \$3.85 per 100 pounds.

The increases are designed to bring prices on those products in line with increases announced recently by a number of other steel producers.

Granite City Steel, largest steel company in the two-state metropolitan area, produces flat, hot rolled bands, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products for manufacturers and other steel users in a 25-state regional market.

Future Events May Be Listed in State Book

Local organizations are being reminded to submit listings of coming events to the Tri-Cities Chamber of Commerce prior to Monday, Feb. 24, for inclusion in a community program brochure distributed through the Illinois Information Service.

Chamber executive director Howard Colquitt said that letters have been mailed advising organizations that future activities of their group would be accepted at the local C. of C. office and forwarded to Springfield. Events covered in the booklet will be from April 1 through March 31, 1970.

The informative brochure is distributed throughout the state under the title "Calendar of Events" and includes chronological listings of homecomings, fairs, festivals, flower shows, summer theaters, turkey shoots, Christmas pageants, pilgrimages, field trials and similar events.

Additionally, the booklet spotlights facts about college football games, hunting dates, tours, field trips, horse racing, boating and skiing. The service is offered without cost to the contributing organizations.

Charles Mayer, 73, Dies; Former Resident

Charles Mayer, 73, of East Chicago, Ind., died of a heart ailment Thursday at a Valparaiso, Ind., nursing home. He had resided in the Quad-City area many years ago.

Mr. Mayer was born in Austria-Hungary and had lived in the vicinity of East Chicago the past 40 years. Before retirement, he was employed 35 years at Youngstown Steel Co. He had never married.

Surviving are three sisters, Mrs. Rosa Oswald of St. Louis, and Mrs. Cecelia Miller and Mrs. Anna Kerschbaum, both of Stuttgart, Germany; three brothers, Alois, Tobias Poulner, both of Germany, and Ernest Poulner of Yugoslavia; three nephews, Karl Knogel of Granite City and James and Steve Oswald of St. Louis; and two nieces, Mrs. Joseph (Ann) Skrin and Mrs. Rochus (Amelia) Sigmund of St. Louis.

Funeral services were held here today. Details are given in the obituary column.

MHS Youths Sent Home If Dress Doesn't Fit Code

A new "dress code" effective at Madison senior high school since it was instituted in mid-January by the Madison board of education has resulted in "quite a few" students being sent home to comply with the regulations, Richard Brown, principal of the high school, said Friday.

But, he added, there have been no mass protests or walk-outs by any large group of students. "Naturally, some of them don't like it and have complained about it," Brown said. "So long as we have such regulations, however, they will be enforced," he added.

He said there was no truth to reports telephoned by students to the Press-Record that a large group of students walked out of classes Friday to protest the rules.

So far, school officials and teachers have concentrated on enforcement of rules that limit sideburns to three-quarters of an inch and prohibits unreasonably long hair, along with the rule that students be clean-

shaven. "We don't mean the youngster with fuzz who hasn't shaved yet, but the boys who intentionally try to grow beards or mustaches," Brown said.

"In nearly every instance in which a student has been sent home for an infraction of the rules, he or she has gone home, fixed themselves up and returned to class," Brown explained.

Beginning today, Brown said, he and the teachers will begin enforcement of another rule which requires the wearing of belts with trousers that are designed for use of belts. "If the trousers are made with loops for belts, then the students will be required to wear them," Brown commented.

On Dean's List

Alphonse Prannitis, a son of Mrs. Mary Prannitis, 2114 Washington avenue, has made the Dean's List at the University of Illinois for the fifth consecutive time, his mother has been advised. The student is a junior majoring in psychology.

DOES PARTNEY MERIT YOUR VOTE?

Have you seen the 12 reasons urging you to vote for Partney?

1. He dedicated a new firehouse. (This was built during the administration of former Mayor Davis.)
2. New Sewage Treatment Plan. (Bonds issued, passed and plant built during Mayor Davis' term.)
3. Paving and widening of Nameoki Road. (Engineering and planning done under Mayor Davis.)
4. Paving Maryville and McCambridge Roads. (These projects were initiated and accomplished largely through the efforts of Aldermen Sternberg, Morlien and Dallas.)
5. Construction of Route 151. (This is a Federal Aid Highway paid for with federal and state funds; no control by Mayor Partney.)
6. Improvement of Johnson Road. (This was largely accomplished through the efforts of Alderman Ford Johnson who signed the applicable Motor Fuel Tax Contract when Mayor Partney refused.)
7. Provided sanitary sewers and storm sewers for portions of city. (Thanks to the people who voted for the bond issue.)
8. Annexed 253 acres to the city. (Thanks to the Aldermen of the sixth and eighth wards who initiated the annexation.)
9. Various street and sidewalk improvements. (Thanks to the eleven aldermen who overrode Mayor Partney's veto of local improvements every year of his term.)
10. Constructed 100 Anchorage Homes. (Thanks to Dave Morgan and the Granite City Housing Authority.)
11. The resurfacing of Missouri Avenue was vetoed by Mayor Partney, and his veto was overridden by the Aldermen.
12. New aerial fire truck was the work of Aldermen Morlien and Dallas in trading with Granite City Steel a portion of Omaha Street for the purchase of the aerial fire truck. **NOT MAYOR PARTNEY.**

No wonder Mayor Partney doesn't get along with the aldermen. No one else could mention the accomplishments of which he speaks without saying WE once in a while.

Vote for harmony in the city government and progress for our city.

ELECT ERNIE YOUR MAYOR TOMORROW

The Citizens of Granite City will join hands tomorrow to elect Ernie Schellenger their next Mayor because he is the Best Qualified Candidate!

Schellenger Will Win Because:

- ★ The people are tired of the same old names and faces that are presented to them in election after election. Ernie is the only candidate that provides the citizens of Granite City with fresh, new hope for a better Granite City that we can all be proud to live in, to work, and to raise our families.

SCHELLENGER BEST ONE OUT OF THREE

During the past four years the Citizens of Granite City have grown sick and tired of the weekly battles that are staged in our Council sessions. Our people are aware that Candidates Clyde Boyd and Donald Partney have played major roles in these weekly fights!

51%

We can elect a majority mayor tomorrow if we all cast our votes for Ernie. With just a bit over 50% . . . he will be the mayor-elect and will take office in May.

YOUR VOTE IS VITAL!

"We need Ernie Schellenger's vigor, his intelligence, his understanding of the true meaning of the value of returning harmony to our City Hall and restoring dignity to the office of Mayor. Most of all, we need his fresh solutions to TODAY'S problems."

THE OFFICE OF MAYOR CAN'T BE BOUGHT. IT MUST BE EARNED!

WE PROUDLY PRESENT THE QUALIFICATIONS OF
WALDO E. (ERNIE) SCHELLENGER . . . YOUR NEXT MAYOR

Ernie attended the public schools in Sparta, Illinois and St. Louis, Missouri. He received a diploma from Sparta Township High School after successfully completing a G.E.D. test.

He attended Shurtleff College in Upper Alton and received his pre-professional training at Southern Illinois University. He is presently enrolled as a third-year student at Logan Chiropractic College in Normandy, Missouri.

Ernie has held a real estate broker's license since

1953. Prior to entering the real estate profession, he was a welder at the American Car Foundry and General Steel Castings Corporation. He is a past member of Steelworkers of America, Local 1055, Boilermakers, Local 530, Musicians, Local 717, Office and Professional Workers, Local 13 (Served as organizer) Delegate to Tri-City Central Trades and Labor Council, Delegate to 24th Congressional District C.O.P.E., Representative of organized labor to United Fund of Tri-Cities. Ernie has a good background in business and organized labor, and Ernie WILL WORK with organized labor and local businessmen!

FOR A BETTER TOMORROW . . . ELECT SCHELLENGER TOMORROW!

Leading Democrats from Illinois and Missouri have called on Ernie Schellenger for support. As your next Mayor, Ernie will ask for the support of those he has helped and their friends in Congress to help gain a maximum of state and federal funds for much needed improvements in Granite City. You are invited to help elect Ernie tomorrow. Let's all give him a chance to GET GRANITE GOING!

Dear Mr. Schellenger:

I want to take this opportunity to thank you sincerely for the tremendous amount of time and energy which you expended in my behalf in the November 1968 election.

I am frank to admit that without your aid and assistance and without aid and assistance of people like you my chances for re-election were most questionable.

I feel it most appropriate to express my gratitude to you in this fashion; and I want you to know that if I can ever be of assistance to you, please do not hesitate to contact me.

Miss Janet Ann Powell and Ronald Wayne Ely are Wed

Miss Janet Ann Powell and Ronald Wayne Ely were married Saturday evening at St. John United Church of Christ. The bride is a daughter of Norman L. Powell, 3402 Franklin avenue, and the late Mrs. Betty Powell. Mr. Ely's parents are Mr. and Mrs. Richard Ely of Rural Route Two.

Rev. Paul Surbey performed the ceremony at 7 o'clock in a setting of white flowers and candlelight.

A program of wedding music was provided by Mrs. Irene Barrick, organist, and Mrs. June Branding, vocalist. The songs were "Because," "With This Ring" and the Lord's prayer.

The bride wore a gown of white satin with short sleeves and an A-line skirt. Lace and pearls trimmed the bodice and the bell shaped train. A pearl headpiece held in place the bride's veil of illusion which came to the end of the train. She carried a cascade bouquet of white carnations and white hybrid orchids.

The attendants, Miss Gail Vogeler, maid of honor, bridesmaids, Miss Beverly Wiggins, Mrs. Cheryl Jones and Mrs. Barbara King, Florissant, Mo., were dressed alike in maroon satin gowns with deep rose trains, scoop necks and short sleeves. They wore small ostrich feather hats and veils and carried white feather muffs.

Two little flower girls, Melony Grady, and Christine Miller, cousins of the bride and groom, dressed like the older attendants, carried red rose petals in white baskets. Wayne and Michael Hubbard, cousins of the bride, carried the rings.

Jim Pogue of St. Louis was best man, and Richard Ely of Grifton, Jack Burk, Rick Pence, Lawrence Hubbard, Jim Jones, Carl Hoffman and John

Letch served as groomsmen and ushers.

The bridegroom's mother wore a winter white brocade dress with red accessories and a white orchid corsage.

A reception was held after the ceremony at the VFW hall with Miss Mary Ely, the bridegroom's sister, in charge of the guest book.

The newlyweds will live at 3304 Kirkpatrick Homes after a short honeymoon.

Wright-Reynolds Wedding At Third Baptist Church

Third Baptist Church was the setting for the wedding Friday evening of Miss Donna Reynolds, a daughter of Mr. and Mrs. Joseph Reynolds, 2433 Pontoon road, and Gary Lee Wright, son of Mr. and Mrs. Henry Skimmer, Bend road.

The ceremony took place at 7 o'clock with the Rev. Eugene Phillips officiating at the double-ring service before the altar decorated with greenery and lighted with burning candles in candelabra.

Miss Ruth Ann Showers, organist, played "Wither Thou Goest," "Wedding Prayer," "Always" and the wedding march.

The bride was given in marriage by her father. She wore a white satin Empire gown with a cummerbund outlined with lace. Bands of lace were used on the train and down each side of the front. A bustle effect was formed where the train was attached to the skirt.

An illusion veil was held in place with a headpiece of white daisies, and the bride carried a knee-length arrangement of yellow daisies and red roses.

Denise DeMott was bridesmaid, and Russell Cozart served as best man. Deborah Reynolds and Anthony King were flower girl and ring bearer.

The bridesmaid wore a pink crepe gown with a fitted bodice and an oval neckline bordered with daisies. Her flowers were white daisies.

The little flower girl was in blue crepe with an overlay of white daisy lace. Blue bows and streamers accented the back.

The bride's mother was in a dress of moss green crepe, and the bridegroom's mother wore pink. Both had corsages of white carnations.

A reception was held at the church after the ceremony. Dora Rae was in charge of the guest book.

The newlyweds will make their home in Granite City. Both attended the local schools.

Work, Fun Day For Guild

A "work and fun" day, combined with a guest day, was held Thursday by the Afternoon Guild of St. John United Church of Christ.

The meeting convened in the morning and a part of the time was spent by the members and guests making pads for the Bix Memorial Home in Alhambra.

The Bible study was led by Miss Freda Deszainer and a pot luck luncheon was served to about 60 members and their guests.

Mrs. Helen Schaefer, president, was in charge and the afternoon session opened with prayer by Rev. Paul Surbey, pastor. Devotions were by Mrs. Marie Wille, and birthdays of Mrs. Mildred Bueger, Mrs. Eschewer, Mrs. Estee Warner and Mrs. Mae Schuttkofke were observed.

A social hour was held and there were games with a number of prizes awarded.

Guests present were Mesdames Dorothy Scamell, Dorcas Rimbach, Rose Marie Bauer, Marcella Epping, Wilma Willard, Dorothy Johann, Meier, Joan Schnyder, Mardel Tolan, Bea Rittenhouse, Thelma Sues, Jeanette Kraus, Ruth Pindell, Kathryn Finko, Florence Blette, Edna Stapleton and Harold Reutzel.

Announcement was made of the World Day of Prayer service sponsored by the Quad-City Church Women United to be held March 7 at the Nameoki Presbyterian Church.

1ST PRESBYTERIAN CHOR HOLDS PLANNING MEET

The Sanctuary Choir of First United Presbyterian Church met Thursday evening in the church parlors for a general discussion by the various committees on ways of improving their service to the choir.

The guest of the evening was Keith Curtis, who directed the group in several numbers during the rehearsal.

Mrs. Burdine Holtzsch, president, was in charge following the opening prayer.

Hostesses were Mrs. Jean Poplanus and Miss Mary Sue Rogers. Others attending were Mrs. Marianna Clark, Milton Allen, Mrs. Virginia Evans, Mrs. Bernice Hightower, Mrs. Mary Ann Holland, Mrs. Alice Koniczny, Mr. and Mrs. Stephen A. Kroteit, Mr. and Mrs. William Ledbetter, Mrs. Evelyn Nelson and Mrs. Isabel Schmidt, director of the choir.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

John Measki was best man for Mr. Georgeff, and the list of groomsmen and ushers included Larry Papa, Mike Triant, Tim Bub, a brother of the bride, Steve Diak and Steve Rydick.

Georgeff and Bub Nuptials Saturday in Collinsville

Miss Mary Georgeanne Bub, a daughter of Mr. and Mrs. George F. Bub, 534 Mary street, Collinsville, and Samuel J. Georgeff, a son of Mr. and Mrs. Samuel B. Georgeff, 1088 Washington avenue, Marion, exchanged wedding vows in a morning ceremony Saturday at 11 a.m. at the First Baptist Church in Collinsville.

Bouquets of white gladioli, chrysanthemums and greenery decorated the church for the 11 o'clock ceremony performed by Msgr. Robert J. Eager.

The bride was given in marriage by her father. She was attired in a gown of ivory tulle de soie fashioned with a round neckline edged with imported Venise lace. The lace train was kept on the cuffed sleeves, at the waistline and on the long sleeve skirt.

Large motifs of reembodyer lace etched with pearls accented the bodice and encircled the skirt. A detachable train fell from the waistline in a full sweep banded in lace.

A forward headpiece, accented with more of the Venise lace, made up of two dozen white roses, lilies of the valley and a removable center of orchids.

Six attendants preceded the bride and her father to the altar. They were Mrs. Walter Whitaker, a sister of the bridegroom, matron of honor; and Miss Alice Dye, Cape Girardeau, Mo.; Miss Barbara Bozau, Collinsville; Mrs. Georgina Amis, Collinsville; Mrs. Gwynne Cardwell, St. Louis; and Mrs. Sand Miller, St. Louis, bridesmaids.

They were dressed alike in ivory satin shiftwaists with ruffled V-necklines edged with imported Venise lace, and long A-line skirts of grape velvet. The lace trim was repeated in bands on the cuffed sleeves and grape velvet bows were secured to shoulder-length veils.

All carried white roses and orchid bouquets in colonial bouquets.

A little flower girl, Kristy Jo Whitaker, niece of the bridegroom, was in a miniature copy of the bridesmaid's gowns. She carried a white basket filled with white and orchid pom-poms.

John Measki was best man for Mr. Georgeff, and the list of groomsmen and ushers included Larry Papa, Mike Triant, Tim Bub, a brother of the bride, Steve Diak and Steve Rydick.

King-Page Nuptials

Miss Marion U. Page and John L. King were married Friday evening in a civil ceremony performed by Magistrate M. G. Hiscott at his home, 1732 Spring avenue.

The bride's parents are Mr. and Mrs. Gordon Page, 2815 Edwards street. Mr. King is a son of Mrs. Helen Martin, 710 North 27th place, and the late John L. King.

The bride wore a three-piece white suit. She was attended by her sister, Mrs. Candace Garden, in a melon pink knit. Larry King was best man for his brother.

A reception was held at the VFW hall directly after the 6 o'clock ceremony.

The newlyweds will make their home in St. Louis where the bridegroom, a graduate of Granite City high school and the Bailey Technical School in St. Louis, is employed on the police force.

The former Miss Page was graduated from the local high school and Granite City Beauty of Beauty Culture. She is employed in a Granite City beauty salon.

Ladies Coterie Adds Member

The Ladies Coterie was entertained Thursday afternoon in the parlors of First United Presbyterian Church by Mrs. W. G. Cooley.

A new member, Mrs. Floyd Henley, was introduced and welcomed by the club.

The meeting opened with the club collect read by Mrs. C. L. Louis, and the pledge to the flag by Mrs. Clarence Boettger.

Mrs. Kenke presided at the piano and accompanied the club members as they sang the hymn "Holy, Holy, Holy."

Mrs. William Lierman welcomed and introduced to the group a guest, Mrs. Eldon Orr, state IFWC chairman of Lincoln Lodge at Grafton, who presented the club with a citation in recognition of community work for 1968-69.

The remainder of the time was taken up with slides of Boys Town, one of the club projects, read by Mrs. Orr.

The meeting was presided over by Mrs. Dawson Wade, and a dessert course was served to 19 members and the guest.

EXTRA TRADE IN OLD CARPET FOR NEW! EXTRA

Richard Atkins announced today that during the month of February, Atkins Floor Covering would offer a generous trade in allowance on old carpeting. In exchange for new, Mr. Atkins explained, "It's a revolutionary idea in the floor covering business and the customers thought of it themselves! We've talked to many people that have had good carpeting in their homes for years, they would like to change to get new carpeting, but they just can't see throwing away their present carpet, and we don't blame them! With our trade in allowance their old carpet will represent a cash savings of up to Seventy, Eighty or Ninety Dollars. They'll enjoy your new carpet with the satisfaction of knowing that they are helping to get old carpet out of the way and they'll be in a better position to get a more luxurious carpet that they might not have been quite able to afford before.

We've also had quite a few people in our store looking for inexpensive carpeting for a family room or basement stairs and many other places in their home, where carpeting we receive as a trade in would be perfect. We think our "Carpet Trade In" will benefit all of our customers, and we hope they will take advantage of it. Remember, it's an experimental idea and the offer is for this month only!

Curriculum Session Planned at SIU-SW

School administrators and curriculum people from Illinois and Missouri have been invited to a meeting Thursday on the Southwestern campus of Southern Illinois University.

Host organization for the meeting is the Southwestern Illinois Division of the Association of Supervision and Curriculum Development. Henry T. Boss, faculty member at Southern Illinois University, is chapter president. All sessions will be in the University Center. Registration begins at 9 a.m.

Theme for the meeting is "Innovative Curriculum Activities in Illinois and Missouri." Discussing Illinois activities will be Michael Myers, director of research, Alton Area Supplement Center. Harold Turner, executive secretary of the Missouri Association for Supervision and Curriculum Development, will talk about curriculum activities in the St. Louis suburban area. Turner is also a faculty member at the University of Missouri, St. Louis.

Fee for the program, including the noon luncheon, is \$3. All educators are welcome, according to Boss. Registrations should be directed to Boss at the Education Division, SIU-SW.

Briefing on Government Contracts Set Feb. 18

A briefing for industrial firms interested in bidding on government contracts will be held Feb. 18 at the Granite City Army Depot, U. S. Rep. Melvin Price has announced.

He said efforts are being made by the Federal Executive Board to assist area business in obtaining government contracts. Businessmen will be briefed on getting on the government bidder's list, filling out bids and interpreting contract clauses.

K. S. Vandergift of the McDonnell Douglas Corp. will speak at a luncheon on opportunities available in the rapidly expanding aerospace industry. The afternoon session will be devoted to appeal procedures. A panel discussion on all phases of government procurement will be held.

Reservations and additional information may be obtained by phoning extension 281 at the depot.

Heart Fund Benefit Skating Session Set

The first promotion of the Illinois Heart Association, in the annual drive for funds, will be a session of ice skating on Wednesday (Lincoln's Birthday, a school holiday) from 9 to 11:30 a.m. at the Wilson Park rink—open to the public.

Anticipating the success of reaching the local goal of \$10,000, Dr. Benjamin Rose, general chairman; Mrs. Levenka Meyer, co-chairman, and Mrs. Twila McKinney, special events chairman, have arranged other activities to take place this month.

INSTALLATION LUNCHEON

The morning Women's Missionary Society met Thursday at Cedar View Baptist Church. A luncheon was held. Mrs. Norma LaBrot presided and offered prayer and Mrs. June Perkins of Graceland Baptist Church installed officers.

Mrs. Anita Marley and Mrs. Margaret Pithers gave a play.

"Putting Important Things First"

Mrs. Pithers and Mrs. Gladys Crump served lunch to Mesdames Stella Clark, Peggy Bargel, Mary Ellen Lewis, Ertual Cameron and those named.

ACTIVITIES PLANNED

BY FIREMEN AUXILIARY

Long Lake fire department auxiliary members met at the recreation hall Thursday, with Mrs. Lucille Sobczak, president, reporting presentation of new shirts to 27 firemen. She and Mrs. Corrine Kheker had made the presentation from the auxiliary earlier last week.

Mrs. Frances Harper and Mrs. Edna Barron submitted reports and flowers were sent to a hospitalized member, Mrs. Renee Arnold.

A bake sale was planned for this month, a rummage sale in March and a fish fry in April. A silent auction was held and refreshments were served by Joan Mikolajczuk and Nancy Hoeller.

Others present were Mesdames Priscilla Young, Ethel Gittleman, Lea Andersen, Gerry Kocer, Mabel Kennerly and Diane Hoeller.

Mrs. Diane Hoeller and Mrs. Anderson will be the hostesses next month.

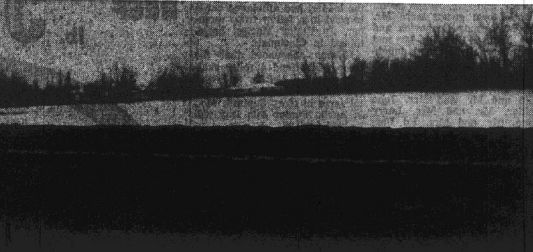

Parked Auto Struck

A pickup truck owned by John Simmons, 2932 Cayuga street, was struck in the left front by a hit-and-run driver while the truck was parked in front of his home at 6:20 a.m. Friday.

RUNOFF FROM RAINS of two weeks ago standing foot or more deep along this three to four block stretch of Central avenue just outside Pontoon Beach, lending support to proposals by East Side Levee and Sanitary District officials that all of the

county's drainage problems be included in any state or federal Hillside Drainage program. This view is looking east from Breckenridge lane and was photographed Friday before new rains hit the area early Saturday morning.

COMpletely UNDER WATER is this tract of land looking northwest from Division avenue near the village of Pontoon Beach as a result of rains of more than two weeks ago. Houses, several of which are nearly surrounded by water, may be seen in center background. Streets in the area have been

inundated for several blocks at a stretch by standing water that has no means of drainage. This photo was taken Friday before additional rainfall Saturday added to the problem. Levee Board officials propose to include such areas in a Hillside Drainage project.

CHARGE MEETING NIGHT

Members of the Madison Harris School Mothers club will not meet Wednesday evening due to the Lincoln's birthday observance. They will meet Thursday evening at the school, and "white elephants" are to be brought to the meeting to be auctioned, with proceeds going to charity. Refreshments will be served.

MRS. BROYLES HOSTESS

Mrs. Lucille Broyles was hostess to the First Thursday club in her home, 2838 McCasland avenue, Thursday evening. Games were played upon arrival of the members, with Mrs. Cornelia Hommert, Mrs. Dorothy Smith, Mrs. June Barham, Mrs. Rose Plich and guests, Mrs. Jean Boyer and Carol Broyles, winning prizes. Others taking part were Mrs. Virginia Kittel, Mrs. Lucille Guthrie, Mrs. Broyles and Miss Marian Hommert. Lunch was served by the hostess.

Mrs. Mary Buckman will entertain the group at her home in March.

Embroidered baby quilts

are ready for sale, it was noted at a meeting of the Ladies Quilting Society of the First United Methodist Church of Madison on Thursday. Those quilting were Mrs. Cornelia Hommert, Mrs. Amanda Hill, Mrs. Nova Sanders, Mrs. Ann Ritter and Mrs. Velma Presswood.

Quilting was carried out

Thursday at Trinity Tabernacle by Mesdames Lena Rash, Ava Baker, Edna O'Guin, Leah Dalton, Laura Walton, Edith Teator and granddaughter, Sherry Pryor and Goldie Teator, Virgie Teator, Naomi Pock and daughter, Terri, Gertie Sprankle, Mary Bevil and Ora Conover. A number of the ladies quilted while dinner was prepared. Others arriving for the noon hour were Rev. C. M. O'Guin, Glenn Sprankle, James Lowe, Junior McDonald, Alf Bolt and Rudy Muzzarilla.

VALENTINE PREPARATIONS

The pledge of allegiance was used to open a meeting of Junior Girl Scouts of St. Mary's Troop 46 in the home of the leader, Mrs. Carolyn Knucha, 1716 Sixth street, Saturday. Dues were collected by Anna Elbe as the leader discussed the cookie sale, which is in effect until Feb. 17.

The group made Valentine favors for a party to be held at

Mrs. Knucha's home Feb. 15. Mothers of the girls are to furnish refreshments for the party, and the scouts are to fill "bunny boxes." Each girl took part in an Indian dance and a "rainmaker" game, followed by singing. The scouts also practiced a dance for the "Thinking Day" program to be held at the Madison recreation center this month.

Those present were Toni Cromer, Patti Firtos, Donise Friend, Alene Mossa, Cindy and Kim Smith, Carolyn Warchol and Mary Wasylak.

Meetings will continue at the leader's home each Saturday from 10 a.m. to noon.

ENTERTAINS CLUB BOARD

Mrs. Jean Voegeli, 1809 Fourth street, president, held a board meeting of the Madison Junior Service club in her home Thursday evening.

A report on the March of Dimes was reviewed by Mrs. Julia Voloski, who was Madison chairman, with Mrs. Voegeli as co-chairman. The report will be given at the monthly club meeting Tuesday evening at the Madison recreation center.

Mrs. Voegeli served strawberry shortcake and coffee to Mrs. Jerri Friend, Mrs. Jackie Frizzell, Mrs. Rita Barnhart, Mrs. Rita Lybarger and Mrs. Voloski.

ALTAR SOCIETY MEETING

St. Ann's Altar Society met Wednesday evening at St. Mary's school hall with Mrs. Mary A. Bunk, president, presiding. Mrs. Elsie Kmetz, chaplain, led 25 members in prayer. Plans were made for a fish fry Feb. 19 and March 7.

Fr. Engelbert Bielek, pastor, spoke on activities to be held during the year.

A social time was enjoyed, with Mrs. Ann Lotus receiving a white elephant prize. Hostesses for the evening were Miss Ann Brennan, Mrs. Bunk, Mrs. Ann Bialczak and Mrs. Ella Crnkovich.

The next meeting will be March 5.

CADETTE SCOUTS MEET

Cadette Girl Scout Troop 114 met at Madison junior high school Thursday with the leader, Mrs. Mae Hershon, and Mrs. Rose Lawrence.

The "Thinking Day" program Feb. 22 was discussed, along with a cookie sale now in progress.

Present were Jennifer Steel, Sharon McBride, Alicia Hendrickson, Gale Chaastin, Etta Nappier, Nancy Maxwell, Donna Reeves, Christ Skelly, Ruth Fanning, Carol Walker, Brenda Broadway, Mary Frances Puck, Helen Zelenka and Debbie Lawrence.

Activities for the remainder of the year were discussed and songs were sung prior to the closing.

Park Board to Meet Thursday

An ordinance granting Granite City easements necessary to installation of sewer lines along 27th street from Madison avenue to Benton street is scheduled for enactment in a special meeting of the Granite City park district board Thursday night, it was reported today.

Revised plans call for installation of the sewer lines inside the curb line to avoid damaging or killing a large number of trees in the park district's parkway where the sewers originally were scheduled to be laid.

The Park Board is scheduled to approve the addition of a third precinct for the April 1 park district election and to designate polling locations.

The special meeting agenda also includes a discussion of repairs and maintenance of the compressors at the Wilson Park Ice Rink, park officials said.

Referral Agencies, GC Resident Counselors Meet

A general meeting of all counselors in the Granite City school system took place Thursday afternoon at the new board of education offices, Supt. B. J. Davis welcomed the group and reviewed the philosophy of education of the local schools, the role of the guidance counselor, and the development of a continuous guidance program from kindergarten through graduation.

Cooperative projects and development of the budget were discussed by Vasil Efthimoff, director of guidance, and representatives of three referral agencies presented the objectives of their individual agencies as related to school counselors. C. A. McMillan and Mrs. Gladys Bass, representing Coordinated Youth Services, pointed out that early detection and referral are of utmost importance. "If a child can't make it in school, he can't make it in society," it was noted. They stressed early, as well as more, guidance and counseling. "With the continuing growth of the community, it is vital that we stay abreast of its needs," the gathering was told.

Dusan Gagich, juvenile officer of the Granite City police department, cited growing concern over social ills related to youth, parental obligations, and the ethical and moral obligations of schools.

Bruce Groshong, Madison county juvenile officer, and Mrs. Minnie Sighe and Mrs. Ann Perello, county probation officers, explained and discussed the 1966 juvenile court act and its procedures. They said that processing of a case can be long, tedious, expensive and at times frustrating.

In summary, all three agencies emphasized the work of classroom teachers and the school counselors in the formation of a child's educational habits and resulting development of a successful, productive citizen.

LeVault Announcing Arrival of First Child

Mr. and Mrs. Marty LeVault, 3144 Rodiger avenue, are announcing the birth of their first child, a boy, at St. Elizabeth Hospital, Sunday. He weighed four pounds, 11 ounces, and has been named Scott Alan.

With his arrival, he makes five generations on the maternal side of the family. Grandparents include Mr. and Mrs. John Taylor, Mrs. Anna Lampher and Mrs. Frances Lampher all of Granite City. The paternal grandparents are Mr. and Mrs. Melvin LeVault, also of Granite City.

Brother of GC Resident Honored Posthumously

Word has been received here that posthumous awards have been made to the widow of Warrent Officer Orval Wade McLeary, who was killed in Vietnam May 6, 1968. His sister Mrs. Jean Phelps resides at 3208 Wayne avenue, a.n.d. his parents, Mr. and Mrs. Marshall McLeary, live in Puxico, Mo.

He was married to the former Anna Marie Deitz of Germany and they have a daughter, Terry Easter.

The awards included the Air Medal with eight Oak Leaf Clusters; the Distinguished Flying Cross; Purple Heart; National Defense Medal; Medal of the Republic of Vietnam.

WO McLeary, 31, was a helicopter pilot and had been in service for 13 years. He had made an assault landing to assist his commanding officer when he was killed by hostile fire. His aircraft was not destroyed.

Other survivors include two brothers and five sisters. He was given a full military funeral service in Vietnam and returned to Puxico for family services. Interment was at the Puxico Cemetery.

Candidate Says Public Confidence Key Issue

"Restoration of citizens' confidence in their city government" was cited during the weekend by Walter E. Schellenger, a Granite City mayor candidate, as a major election-eve issue.

Proposals listed included avoidance of feuds and personality clashes, development of harmony to permit a unified front in seeking state and federal funds for needed improvements, a move away from party dominance of city voting, and creation of an effective relationship with aldermen, organized labor and merchants.

Hits Two Autos, Flees

Police are seeking the driver of an eastbound auto which failed to follow the turn of Johnson road and damaged two parked autos of Dr. F. E. Shipley in the driveway of his home, 228 Edgewood drive, at 11:35 p.m. Friday. The motorist fled from the scene, and license plates on the 1967 sedan which he abandoned were found to have been stolen from another car.

NEED NEW MAYOR DUE TO RESIDENTIAL AREA DECAY
To the Editor:
We have read Mayor Partney's reasons why he should be re-elected.

Yes, it is a year in which dynamic, outstanding leadership is needed—the time has come for voters to make the change.

He has reviewed the accomplishments of his administration, the many "big things" which have been done: all of this looks good on paper. It seems the homeowner in Granite City has been left out of this great progressive "program."

For example:
We have in our residential areas alleys that are filthy and a disgrace. Garbage is placed in open containers, paper bags and boxes and then dragged into alleys and yards by the dogs, cats and rats which run at liberty.

We have lots being used for dumping grounds—automobiles, cans, buckets, etc., in the midst of our homes.

We have yards and driveways filled with old broken-down cars which can't be driven and are left sitting.

We have yards and driveways which are garages and repair shops—old cars constantly being brought in, torn down, reassembled and driven.

Derelict cars are left on the streets; they can't be driven, so the owner leaves them there. They sit there for weeks, unmoved, on a two-way street and bus lines. The proper authorities are notified, but two weeks later there has been nothing done.

On these same streets, the old battered-up cars are so thick that buses and cars have to make complete stops in order to have passing room.

On these same streets, we have cars which drive up on the wrong side, park across the sidewalks or sit in the center of the street while traffic waits. Nothing is done about it; it's been going on for years.

Our streets, yards and porches are playgrounds for the loose dogs and cats which roam this town at liberty.

I believe there is a city ordinance which says dogs must be allowed loose unless muzzled or leashed; a fine is the punishment. Do you read of anyone being fined?

You call the humane officer and report that a certain dog which is loose at all times has caused you as you passed the house. You're told that the best thing for you to do is to file a complaint.

Mr. Mayor, I believe you appoint these men—humane officer and city inspector.

We know the humane officer's job is in part to pick up stray dogs and cats. There's a city full—many diseased and weak from hunger and a health hazard.

We believe it's the city inspector's job to see that the vacant lots, etc., cleared of debris and trash and to take care of the manner in which garbage is put out for collection.

It can be said that there are some areas in the residential sections above 23rd and 24th streets that are unsightly.

To the property owners in the area who are trying to maintain homes of a decent and clean appearance, your tax money goes out and there's nothing in return.

The mayor is interested in improving the downtown area so much that he takes a man into court who has junk autos on his lot. What about those left on the streets in residential areas?

We'd like those junk yards, streets and open-air garages cleaned up.

Each year the mayor comes out big for clean-up—painting and asks everyone to cooperate, which is a fine thing if he follows through. But he doesn't.

The remainder of the year, it's forgotten.

If other cities can make war on derelict cars in yards and on streets, why can't Granite City?

And what about litter? Our streets are filled with beer bottles, cans, broken glass, papers, etc.

If we want to make Granite City a city of waste and filth and reduce the property values, we're making a good start. In fact, we're well on the way.

It's nauseating to see the decay in residential areas, with nothing being done.

All of the updated records, the committees, commissions, etc., unless they're used to help the entire city.

We don't need physical beauty in city hall, to show to the world who is in charge. We need a man who is interested in the welfare of the entire city and who is a law abiding citizen.

We need a city council composed of aldermen who make their decisions on the basis of the people's needs, not their own.

Mayor Partney Best Equipped to Lead City Into An Era of Prosperity

The nearly capacity audience at the mayor's campaign forum and the numerous letters on this page indicate considerable interest in the primary election to be held from 6 a.m. to 6 p.m. tomorrow in Granite City. We hope this interest results in a large vote: citizens owe it to themselves and each other to participate.

Any of the three aspirants could win outright if he receives over 50% of the votes cast. Although the primary instead may serve merely to narrow the field to two candidates, the only yardstick voters can use now or on April 1 is to support the man they believe is best qualified.

We plan to vote for Mayor Partney, the first full-time mayor on the basis of his record of experience as alderman and mayor and his conscientious efforts to achieve efficiency and progress. His opponents also have governmental experience, but none of the degree of Mayor Partney.

Effort, of course, is not the same as accomplishment, nor setting of goals the same as finding and implementing ways to attain them. We had hoped to see a greater number of municipal problems solved in the late 1960s, and certainly faster headway will have to be made in the next four years.

Many highways, drainage and beautification projects have been carried out or started, however.

There has been much apartment and commercial expansion in the Nameoki area. Other examples could be cited.

Opinions differ as to who deserves the credit, but the improvements are a reality. Partly because of excessive concern over "credit," the mayor has been reluctant to accept credit for the improvements.

Each side has been called "stubborn" or "obstructionist," but pictures it as if as defending against unsuitable attacks.

In understanding the mayor as the most qualified for the office, we intend to urge him to do all he can to revive the art of honorable compromise, without which there can be serious disappointment to the citizenry in the future as well as in the past.

Regardless of how the mayor race turns out, the municipality, if it is to have a bright future, must turn away from a situation in which even harassment, we intend to get caught in a political crossfire. Unless the present form of government begins to function more smoothly, we would not be surprised if voters considered some kind of drastic change in structure.

Our hope is that it can be made to work—that the quality of life can be upgraded within the city, that services can be extended to outlying areas, that the municipal government can do what it should be doing.

It is not a matter of "if" but "when" the obvious needs can be met, such as downtown rejuvenation (closely related to city parking, traffic and renewal decisions and leadership).

There is no guarantee that such needs will be fulfilled as a result of the balloting tomorrow, but the identity of the mayor does make a big difference.

Other things he does not seem to know or remember.

Mayor, this is past history that you should know. You should know that every citizen of this nation has every right that men have. He should know that this nation is to be respected by him or anyone else.

Our mayor should know better than to say to some of the things that he said. He should know that what he said was very confusing. I know these ladies would like to know what he meant by saying, "An eye for an eye and a tooth for a tooth."

I admire these ladies for standing their ground in the face of a threat. This is a demonstration by the mayor that should not be taken lightly, for the mayor has given a poor account of himself in the presence of these ladies that will hurt our city if he people allow this to continue.

It seems to me it would be a good thing for our mayor to take some courses in public relations.

Maybe he would learn how to get along with the city council and also to have kept out of the brawl that occurred in 1967.

INHUMANE COVERAGE OF FUND EMBEZZLEMENT
To the Editor:
I dare you to publish this letter as I write it to you.

Your front page coverage of a bank robbery in St. Louis was the most low-grade, unintelligent writing I've seen in a long time.

You didn't have to play-blast his picture with the article, but you stomped him and his family down with your article. I'm sure their hurt and humiliation is great enough to overcome the wound.

Do you have an unpaid wage?

difference, not only in what he does but in what other officials and citizens do during his tenure in office, and in how outsiders feel about Granite City.

As mayor, backed by a majority now or in April, will have a mandate which could and should be translated into the greatest area of progress Granite City has ever known.

There's No Business Like Show Business—If You Have a Good Enough Baiting Average

"I've created a monster!" to quote the scientist being throttled at his operating table in the 1930-1940 movie on the late, late show. Television itself may be a monster, in the view of some trying to find an explanation for growing lawlessness and other ills of society; the first generation to be weaned on Captain Kangaroo and George of the Jungle instead of Tom Swift and Jack Armstrong is reaching maturity.

At any rate, the impact of TV on the athletic world and vice versa, is undeniable. Who can ever forget the Sunday evening when an evil villain, Heidi, had the nerve to begin her show by saying, "I've been told that Heidi is the best in the closing seconds to turn defeat into victory?" Since that memorable day, network officials have seen the light, put priorities into proper perspective and have decided that an important (defined as non-sport) program.

"Referee's timeouts" (defined as "For gosh sakes, we've got to fit in nine more commercials before the football season begins") and basketball, but in return first the golfers and then many other sports heretofore have found the road to happiness (defined as millionaire status).

Now a baseball strike is possible over the issue of player pensions, which are financed by league television-radio receipts. How much should the players be paid? Should there be a direct relationship between them and the amount of future TV contracts?

If athletes' fortunes are going to depend directly on the size of the TV audience, it is no wonder that baseball czars have hired a new commissioner to "modernize the game" (defined as "How can we make it as exciting as a 270-pound man clobbering an 180-pound quarter-back").

Maybe the idea of a pitcher and batter ought to begin bowing to their audiences before starting a performance. And pitchers could illustrate the latest deodorant sales pitch each time they raise their arm to throw the ball.

Port, Bi-State Developing More Bulk Warehouse Facilities of Local Harbor

Harbor activity and shipping expansion here have developed at such a moderate rate in the past 15 years that the almost simultaneous announcement of warehouse construction plans by two governmental agencies is, on balance, welcome news.

The Tri-City Regional Port District plans a \$500,000 warehouse and bulk loading and unloading facility at the west end of the City of Rocks Canal harbor frontage, close to the Bi-State Development Agency wharf. The latter agency will erect a \$90,000 warehouse for handling of bulk materials.

Bi-State sees costly duplication of effort, citing currently unused bulk unloading capacity, although its own expansion plan seems to bear out a need for more warehouse facilities. The Port District, rather than concentrating on the northern harbor area as in the past, may be placing undue emphasis on territorial competition, although its latest move should be helpful to the taxpayer by increasing the yearly income from which port expenses are met.

Perhaps the latest projects will encourage more firms to ship and store goods with the two agencies, accelerating regional economic growth and rendering meaningless any disagreement over the need for bulk facilities.

The proposal for talks leading toward joint use of docks, equipment, tanks and buildings appears to be well worth pursuing by both Tri-City Port and Bi-State, since it could afford greater flexibility and space with which to attract harbor business.

Before our city can accomplish its capabilities and potentials it is necessary that we, the voters, bring our city to a point where we can work with a mayor whom they can work with. Again, we say this man is Mr. Boyd.

Mayor, we have been recently toward the leadership of our organization during the strike of 1968.

Mayor Partney had accused us of not presenting our proposals fairly to our membership. The next union meeting, we invited him and the president of the ministerial alliance to attend and bear witness to our procedures.

They did attend and we received 85% support of our recommendation to reject the contract. We have a strong feeling that our procedures were fair.

There was no doubt among them at the time that we were picketing because of the reluctance of Partney to sign a strikebreaker ordinance that the council had already passed.

This same leadership has brought us through a time of discontent, chaos and mistreatment to a time of fair treatment and working peace.

Unlike our old company—Union State—our new company, the United Steel Workers, has a philosophy that if you treat people fair, you will be treated fair by them.

Because of this attitude, we are having a good relationship with each other.

They respect our union as a laboring agent for the people and the people as men, not tools to be used to manufacture their products.

If all companies would practice this philosophy, then we would have less labor problems than we have experienced in recent years.

Because this is an industrial city we need a man who understands the problems of both union and management. Being an international representative of the United Steel Workers, Clyde Boyd does have this experience and understanding.

The voters of Granite City have a choice to make. They can elect a mayor who can overcome the present handicaps of Granite City.

So let us not forget to go to the polls on Tuesday and vote for Boyd, the next mayor of Granite City.

FOSTER L. FREDERICK, Political Chairman

MAYOR PARTNEY BEST QUALIFIED CANDIDATE
To the Editor:
Granite City citizens will face an important decision Feb. 11 when they go to the polls to elect our mayor.

I am, and I know citizens are, greatly interested in real estate, creative, dynamic Granite City. Our city can only keep its rightful place in the industrial, economic and cultural lineage

Rural Area Fire, Police Problems

(Excerpts from the recently adopted Granite City Long-Range Development Plan)

Planning District Four boundaries are the railroad tracks east of Illinois Highway Three, the Alton 270, the Chain of Rocks Road right-of-way and Pontoon Road.

Although a substantial portion of this district is proposed for residential land use, which will be primarily in new single-family structures, there is also a significant portion devoted to commercial activities.

Future commercial activity in District Four should be primarily of the highway-oriented variety.

The character of the business district to the north along the Chain of Rocks Road and Interstate Route 270 is already determined by existing highway business.

The business district along Interstate 270 and Illinois Route 200 has begun to develop with highway businesses.

District Four needs improved police and fire protection. The portion of the district served by the Mitchell fire protection district, but not bounded by the Chain of Rocks Road, is in the north, Maryville Road on the east, Granite City limits on the south and the Chain of Rocks Canal on the west is not provided with fire protection.

The portion of District Four outside the city limits of Granite City is policed by the Madison county sheriff's department.

With these parks, District Four would be adequately served by local recreation facilities.

Try Fravelone for pneumonia, coughs and colds. Spring ginsengs have arrived at Wauschaer's. Look the Nash car over at the J. C. Reintjes agency.

Gambling in Madison county has spread to a building in Edwardsville across the street from the county courthouse.

With the war emergency over and the ban on non-essential construction lifted, the "build a building" slogan appealing the U. S. is being adopted here.

The amount of business handled at the Madison port office has reached the level where a free delivery system can be started. Carriers are to be appointed.

25 YEARS AGO

FEBRUARY 10, 1944
Democratic candidates, editors, mayors, committeemen and women numbering 140 met at the Madison County Country Club, conference hostesses by the belle of the ball, Mrs. Roosevelt, to run again and the announcement that Thomas J. Courtney will run for governor.

The Press-Record applauds Senator Henry Cabot Lodge, who resigned from the U. S. Senate to take up combat duty as an Army lieutenant colonel, moving to redeem the name of Lodge. His father and other senators had killed the League of Nations after world war I.

Since a program of religious training started in Madison public schools several months ago there has been a sharp decrease in the number of juvenile arrests.

If it has responsible, honest leadership such as we have in Mayor Donald Partney.

We should review the qualifications and experience in business, public or private enterprise of the candidates, and then raise our voices at the ballot box Tuesday.

Each vote is always important. A few votes—even one vote of a citizen—can decide an election.

Let's circle our calendar now and vote; we have a very vital vote in our government—the ballot box.

Urge everyone to be sure and vote Feb. 11, and if possible, to join me and vote for Partney.

SCHLELLER UNION MEMBER, DELEGATE
To the Editor:
I was contacted by Waldo E. "Ernie" Schellenger and asked to support him in his campaign to become the next mayor of Granite City.

I agreed to help Mr. Schellenger because he appeared to be a clean-cut person with better than average intelligence.

Normally, I do not take an active interest in local politics because I do not have the time, but since I am one of those people who feel that it is time for a change at our city hall, I have agreed to help Mr. Schellenger.

At the present time, I am a shop steward for Machinists Local 10 at McDonnell Aircraft.

In my first meeting with Mr. Schellenger, I failed to ask him about his background with regard to labor. It was for this reason that I became very disturbed when I was told by some of my friends that they had heard that Mr. Schellenger was anti-labor.

My first thought was to drop the matter, but then I was told that he had been in my support. I decided to call him. I learned in a meeting with him that he had been in the labor movement and had an excellent background in organized labor.

He has extensive real estate, worked in various plants as a welder. He is a past member of the United States Laborers, International Local

Madison Interest in Granite City Voting?
While having a drink in a Madison tavern associated with a political figure, I noticed a large electrical sign and picture of Clyde "Bus" Boyd posted on the wall.

To this I mean that a Madison politician is all for Boyd (a Granite City mayor candidate).

His experience with the Madison political machine in that their support means control. My guess is that the citizens of Granite City if this is the case.

GCHS Sophomore has Role In Masquers' Play, 'Picnic'

Miss Erie Mills, a Granite City high school sophomore, will portray Millie Owens in the Masquers' Inc. production of "Picnic" by William Inge, to be presented Friday and Saturday evening at Webster school auditorium, Collinsville.

The only musical and dramatic theatre group in Madison county, the Masquers company features several Quads-Citizens among its performers. "Picnic" will be staged at 8:15 p.m. on both days, with tickets available in advance from cast members or at the door before each performance.

Miss Mills has participated in plays at Granite City high school, among them "Of Thee I Sing," and "Rebel Without a Cause," and is a clarinetist in the school band. She has appeared twice with the St. Louis Municipal Opera, in the Children's Chorus of "Gypsy" in 1963 and the "Nutcracker Ballet" in 1966.

The youthful performer has attended the National Summer Camp at Interlochen, Mich., the past two summers and plans to return there this year. While a student at the camp in 1966, she majored in drama and played the wife and was lead dancer in the production of "Lil Abner." She also has studied voice for the past ten years, as well as dancing, and has taken piano for the past seven years.

Erie has appeared twice with the Masquers, in both instances as a dancer in "Brigadoon" and "Carnival." The local girl has a hobby collecting foreign dolls and enjoys swimming. She is a former member of Granite City's competitive swimming squad.

Playing the lead male role of Hal Carter in the production of "Picnic," production will be Maxey Barnett, a Collinsville resident, who is employed as a patternmaker at Arnette Pattern Co. in Granite City.

Barnett has been a member of the musical and dramatic group since 1960 and has served four years on the Masquers' board of directors and as vice-president for two. He also is a member of the Cahokia Mounds Indian dance group.

He has filled many backstage jobs and also has served as stage manager. Other productions in which he has appeared, include "Come Blow Your Horn," "Oldahoma," "Brigadoon," "Pajama Game," "The Little Foxes," "Carnival" and "Teahouse of the August Moon."

"Picnic," a successful stage play, was made into a motion picture starring William Holden and Kim Novak. The theme revolves around the character of Hal Carter, a drifter — who arrives in a small Kansas community to see an old friend, Alan Seymour, about a job. He meets Madge Owens, Alan's girl friend, and their mutual attraction develops into romance, despite efforts to prevent it happening by Alan and Madge's mother.

Rosemary Sydney, a school teacher boarding with the Owens' family, (played by Mrs. Rogers Davis of Granite City), and Howard Bevans, her hard-to-pin-down boyfriend, are drawn into the growing conflict.

Crime, Violence Controls Sought By Cong. Price

Expanded efforts to reduce crime and violence are the aims of several proposals U. S. Rep. Melvin Price has introduced in Congress.

In seeking improved law enforcement and effective weapons control, he called for a joint committee empowered with subpoena rights to probe and investigate the causes and administration of justice and to advance remedies.

A companion measure Price is co-sponsoring directs the Federal Communications Commission to conduct a comprehensive study and investigation of the effects of violence in television programs on the viewing audience.

He also has introduced legislation authorizing the U. S. attorney general to make block grants totaling \$100,000 to cities to supplement police salaries and to add more police officers to municipal forces, designed to make police work more rewarding and attractive.

He has re-introduced his switchblade control legislation which would ban switchblades and similar deadly knives.

Portell Reports 1968 Earnings of \$11,334

Circuit Clerk Willard V. Portell of Granite City last week made public a photostatic copy of his 1968 Form 1040 income tax return showing \$11,334 earnings, consisting entirely of salary on W-2 forms. He noted that the disclosure conformed to a campaign promise he had given.

Taxes amounted to \$2087, including a \$1942 basic tax and \$145 as the 7 1/2% surcharge for 1968.

Experimental Film Program at SIU-SW

A 90-minute program of experimental films will be presented Thursday at Southern Illinois University-Southwestern campus in the Communications Building theater. Two performances will be given, one at 3:30 p.m., another at 8:15 p.m. Admission is \$1 at the door. The public is invited.

Entitled "Protest and Politics," the program offers a variety of comment on the faults of contemporary society, inviting new interpretations of war, prejudice, materialism and puritan attitudes.

Among the six films are several which won international acclaim and awards in such competitions as the Tokyo International Film Festival, Expo '68 and the Ann Arbor Film Festival. Prof. John Richardson of SIU-SW's Art and Design faculty will comment on the films.

Films include "Hey Stop That" by Robert Feldman, an original and compelling satire on bomb shelters, cops and the Armed Forces; "No Reason to Stay," produced by the National Film Board of Canada, uses a realistic filming technique to show the effects of a formalized educational system on a bright and sensitive young man; and "Not Yet Decided," a 54-second film, offers a compelling comment on race hatred. "Super Up," "America's in Real Trouble" and "Museum Piece" are the remaining films.

SIU-SW Symphonic Band Features Percussionist

When the Symphonic Band at Southern Illinois University-Southwestern campus presents its winter concert Wednesday it will feature Richard O'Donnell, celebrated percussionist with the St. Louis Symphony Orchestra and SIU-SW percussion instructor.

MRS. FRICKER HOSTESS
Mrs. Melba Fricker, 1645 Spring avenue, entertained members of the Losers club in her home Thursday evening. Mrs. Rose Yates received the honor of "queen of the week."

The business meeting was presided over by the vice-president, Mrs. Shirley Gausepohl, in the absence of Mrs. Sharon Rickert.

Mrs. Lucille Gates, weight recorder, gave a report on a contest now in progress. The winner will be announced at the next meeting. Mrs. Gausepohl was awarded a special prize and the meeting was adjourned for a social hour.

The hostess served refreshments of soft drinks to those mentioned and Mrs. Mickey DeMartini and Mrs. Nancy Weidner. The club will meet at the Fricker home again Feb. 13.

SCOUTS TO GO SKATING
The Bluebird patrol led Junior Girl Scout Troop 29 of Webster school in the opening ceremony at a weekly meeting Thursday. The troop repeated the pledge and promise in union with the leaders, Mrs. Jackie Watkins and Mrs. Doris Stotz.

The scouts discussed the cookie sale which began Friday, and the leaders stressed parental consent before taking orders. The girls were reminded of a joint Webster troop skating party from 1:30 to 3:45 p.m. Feb. 12 at Stoppokette's roller rink. The troops will assemble at the school for transportation.

Work was completed on valentine gifts for families and the scouts went into four groups to work on the community, house-keeper, dancer and toy badges. The meeting closed with a friendship circle and "Taps" led by the Bluebirds.

Participating were Laura Arbogast, Tammy DePew, Sherrie Buckingham, Sharon Chrusciel, Karen Crowell, Becky Denny, Rebecca DeForest, Laura Fairfield, Pamela Gaines, Judy Hartstock, Susan Kaletka, Corina Kuhn, Nancy Liddell, Susan McKinney, Dena Sitter, Patti Staggs, Gail and Kay Watkins, Vicki Moody, Pamela Moss, Jana Russell, Candice Werth and Pam Williams.

WILL SHOW 'EM MEETING
The Will Show 'Em Tots club held a weekly meeting Thursday evening at the home of Mrs. Esther Reutzel, 2412 Pontoon road, and the club welcomed a new member, Mrs. Josephine Fletcher. Mrs. Mary Holshouser was crowned queen of the week and presented with a basket of fresh fruit, and Mrs. Darlene Hartzel received a prize as the January queen.

Mrs. Marie Berger, leader, called the meeting to order and Mrs. Reutzel and Mrs. Ann Metz gave reports.

Mrs. Berger read a invitation from the Naughy Nibblers of East St. Louis to attend a first anniversary dinner to be held at the Round Table restaurant in March. The group decided to purchase an album for the club's activities and recordings.

A discussion was held on a survey being conducted by the national organization, and the members participated in an exercise program.

Others attending were Mesdames Frances Pusek, Mary Jubas, Sheila Stich, Janet Spalding, Bernice Gergen, Mary Nemeth, Shirley Schenckung, Alice Young, Oleva Little, Diane Delahoye and Valerie Darakjian. The Feb. 13 meeting will be held at the Reutzel home.

TOUR TELEPHONE OFFICE

Webster school Brownie Troop 188 assembled there Wednesday with the leaders, Mrs. Betty Van Gilder and Mrs. Peggy Jamerson, assisted by Mrs. Judy Nemeth, and then toured the Southwestern Bell Telephone Co.

The troop viewed the offices and also mechanical devices with which the company helps assure fast service. The girls saw how trouble on a line is automatically recorded for troubleshooters, and inspected long-distance dialing and "busy signal" operations.

Each Brownie received an address book and a key chain with a miniature princess phone as a memento.

Making the trip were Dana DePew, Diane Harris, Terry Hill, Pamela Sartin, Shelly Siebert, Janice Van Gilder, Robin Barnes, Jackie Chaplin, Joyce Jones, Ruth Ann Johnson, Robin Munce, Lori Nemeth, Marcel Little, Kimberly Jamerson, Shirley Money, Debbie Weber, Vicki Williams and Cheryl York.

Because of the school holiday this week, there will be no regular meeting but the troop will gather at the school to attend a skating party with all troops sponsored by the PTA unit.

PLAN BAKERY TOUR
Brownie Troop 518, sponsored by the Niedringhaus PTA, held a weekly meeting at the school Wednesday afternoon. The scouts finished a valentine project under the leadership of Mrs. Audrey Speirs and Mrs. Janet Garrison. President Robin led an opening ceremony and the Brownies sang "Amazing Grace."

Mrs. Speirs announced that because of the holiday, there will be no regular meeting Feb. 12, but the troop will gather at the school to go on a tour of a local bakery.

Robin Cionko and Sherri Singleton were appointed as representatives for the District Four "Thinking Day" program. Tammy Speirs was chosen as the alternate.

The remainder of the time was spent on a handicraft project. Each girl made a snowman out of a light bulb, quart jar and cotton and trimmed it with red hearts. Brownie treats, cupcakes, were made and served by Tina Bladdick.

Conducting roll call was Jamie Garrison, and scouts present included Kim Dietrich, Beth Gallinger, Patti Jarrett, Paula Bogosian, Laura Kelly, Janice Morgan, Carla Penrod, Pauli Shuran, Rebecca Spurling, Tracy Lee Tracy and Lori Voss.

29 Polling Places for Tomorrow's Mayor Primary Election in GC

For the convenience of Granite Cityans who will be voting in tomorrow's mayor primary election, a map of the new ward boundaries appears above.

Many Granite Cityans are living in new wards, and while most of the polling places for tomorrow's vote are in familiar locations, there are numerous changes as designated by the city council.

The election is being conducted on a ward basis with no city voting precincts as in past years—but there are several polling places ranging from two to six in each of the seven wards. The polling places are listed in this article.

Under the directions of the leaders, Mrs. Evelyn Webb, Mrs. Dorothy Anderson and Mrs. Betty Parmley, the scouts made tray favors for patients at St. Elizabeth Hospital.

Janet Webb and Debbie Parmley were selected to represent the troop in a "Thinking Day" program. This event is held annually by scouts all over the world in observance of the birthdays of Lord and Lady Baden Powell, founders of the scouts and guide movements for boys and girls.

WMS PRAYER MEETING
A prayer meeting was held Thursday evening at Grace Baptist Church for the Women's Missionary Society. Rev. Clifford Mueller spoke on "Conversional Prayer" prior to the meeting.

The February meeting was opened with a song, "O Zion in Haste," and Mrs. Marilyn Park gave a calendar of prayer and Scripture readings. Mrs. Alma Dorvas offered opening prayer.

The president, Mrs. Shirley Milliken, introduced C. A. Mililan of the Co-Ordinated Youth Services, who spoke on the needs of youth. Mrs. Gladys Bass, a representative of the youth organization, led a question and answer period.

Althea Motis spoke on the needs of the elderly at the Anchorage and it was decided to form a missionary action

group to take care of the needs. Refreshments were served by the hostess for the evening, Mrs. Judy Beach, to those mentioned and Mesdames Charlotte Mueller, Bernice Sharp, Lola Miller, Nadine Davis, Bonnie Tidwell, Marie Price, Fran Finley, Carol Fritts, Gloria Joyce, Colleen Cole, Marie Montgomery, Fran Carey, Lenore Welby, Ruby Williams, Linda Hutchings, Margaret Mayes, Fran Thomas, Dolis Sheppard and Marilyn Patton.

A book study on Hawaii will be held at the church March 6.

PRE-TEEN RINK PARTY
Sixty-three attended a skating party Thursday afternoon at Stoppokette's roller rink for the

Kirkwood Pre-Teens club with the leaders, Mrs. Edith Evans, leader and club advisor, and Mrs. Bonita Gibbs, Mrs. Darlene Harper and Mrs. Jackie Waltemier.

A weekly dance attracting 93 members Friday evening at the Rummy Royals, held its first meeting Thursday evening in the home of Mrs. Jean Montgomery, 3017 Marshall avenue.

The members discussed rules and set monthly dues.

The club will meet on the first and third Thursday at 7 p.m. The remainder of the evening was spent playing games, and prizes were won by Mrs. Montgomery, first; Mrs. Pat Tripp, second; and Mrs. Peggy Harlow, special prize.

A buffet luncheon was served by the hostess to the winners and Mrs. Jeannie Pool, Mrs. Nona Sharp, Mrs. Donna Wachter, Mrs. Sue Walker and Mrs. Carol Wirth.

The club will meet at the home of Mrs. Tripp of Rural route Two for the Feb. 26 meeting.

HONORED ON BIRTHDAY
Mrs. Leean Campbell, 2534 Lincoln avenue, was guest of honor at a birthday celebration Friday evening in her home, hosted by her daughter-in-law, Mrs. Barbara Campbell, Mrs. Reba Grove and the Lincoln Avenue Birthday club.

The dining table was trimmed in a birthday motif with a centerpiece of multicolored spring flowers in a cut-glass container. The honoree was presented with many gifts and a decorated cake.

In studying the new ward map, Granite Cityans will find there are seven instead of eight. Granite City expanded to eight wards in the 1950s on the theory its population would soar to 50,000. However, a court order was issued late last year requiring the city to cut back to seven wards by Nov. 5.

The map shows that Ward One has grown to the east and north while losing a portion of its area to Ward 5 which has been expanded to extend on both sides of the railroad tracks.

Ward Two has picked up sections of several wards. Ward Three and Ward Four also have

been expanded, while Ward Six remains virtually intact. The old Ward Seven was eliminated and the new Ward Seven is made up basically of what was Ward Eight.

Polling places in the First Ward will be at the following locations: VFW building, 2044 Washington avenue; Kirkpatrick Homes recreation center; the Gene Forry residence, 2600 Lincoln avenue; Anchorage Homes, 2909 Edwards street, and the William G. Stringer residence, 2122 Marshall avenue.

Ward Two—Nagy building, 2400 Benton street; Kaychik Realty office, 2707 Madison avenue; Church of Christ, 2382

Washington avenue; Willis Flower shop, 2965 Buxton avenue. Ward Three—American Legion Hall, 2331 Madison avenue; First Presbyterian Church, 1224 First street; Delmar avenue; Pasheba building, 2200 East 24th street; Groves Plumbing shop, 2445 East 24th street.

Ward Four—William D. McBride residence, 2616 Center street; Glenn Romine residence, 2917 Oregon avenue; Tad's Barber shop, 204 Illinois avenue; Glenn Hommert residence, 4108 Melrose avenue; Niedringhaus school, 29th and State streets; and Simurda residence, 3169 Davis avenue.

Niedringhaus Brownie leaders, Mrs. Beth Caffrey, Mrs. Janet Garrison, Mrs. Dix and Mrs. Audrey Speirs, from a table decorated with a valentine tree and "Dan Cupid." Others present were Mesdames Anita Moody, Valara Scherfede, Peggy Jameson, Nadine Balogh, Carol Cottrell, Charlotte Fuller, Vivian Davis and Doris Stotz.

PLAN VALENTINE PARTY FOR LAKE PTA SCOUTS
Lake PTA, sponsored Junior Girl Scout Troop 838 met at the school Thursday afternoon with the leaders, Mrs. Dolores Riddle and Misses Vicky Yetter and Carol Williams, to discuss plans for a valentine party Feb. 13. Donna Waterman led the scouts in a pledge of allegiance, promise and singing of "Girl Scouts Together."

Miss Yetter explained the cookie sale, which began Friday, and stressed signatures of the permission blanks to be affixed on the order forms. The sale ends Feb. 17, and delivery will be made in late March.

At the valentine party, each girl is to bring cards and a paper bag to play "postman." A skating party will be held Feb. 15 at the Stardust roller rink. Renee White and Susan Gifford were chosen to participate in the "thinking day" program troops in Neighborhood Four will represent Ireland with a song and dance.

Sharon White brought the meeting to a close with singing of "Taps," until the troop standing in a friendship circle.

Scouts present were Cathy and Sharon Dean, Pat Dukes, Rosemary Dufka, Susan Gifford, Rhonda Hamilton, Alice Kelly, Janet Hill, Brenda Jones, Judy McKee, Christine Miller, Rebecca Moore, Tamara Moser, Vicki Pruett, Debbie Ramsey, Debbie and Joyce Rushing, Jane Scaggs, Melinda Stevens, Susan Thies, Vanessa Vasilioff and Candy Wallace.

Timing of Circular Linked to Mayor Race

An unsigned circular, described as vicious and inaccurate, was distributed yesterday in the Sixth Ward of Granite City, criticizing Alderman Gerold Parmley, an active supporter of Clyde Boyd in the mayor primary election tomorrow.

Calling charges in the circular false, Alderman Parmley said the distribution apparently was timed for this weekend as an indirect attack on Boyd.

GC Traffic Arrests

A careless driving charge was filed at 8:10 p.m. Friday at West-bash avenue and Johnson road against Kevin Kent, 8 Mercer drive. James Gimmors, 237 Pine street, was arrested at 28th street and Washington avenue at 5 p.m. Saturday on charges of no driving license, improper muffler and driving too fast for traffic conditions.

GRANITE CITY UNIT HEARS MAUCK

The Madison county extension advisor on home economics, Mrs. Catherine Mauck, was a guest of the Granite City unit Wednesday.

The unit was given instruction in the use of paint, paper and paneling for wall decorations. Mrs. Arthur, home economics chairman, was in charge of the meeting, held at Grace Baptist Church.

Reports were given by committee chairmen, and Mrs. Walter Handfield presented a lesson on "Fever."

It was announced that a pre-registered group will attend classes at the Home Extension Office, Edwardsville, Feb. 13 and 14 on making lined and unlined drapes and on pattern and clothing fitting.

Hostesses for the day were Mesdames Arthur Johannigmeier, George Johannigmeier and William Platter.

Additional members attending were Mesdames Benjamin Rose, Virgil Travis, Richard Johnson, Frank Parr, Willard Simpson, Phil Morrison, Raymond Uram, Edward Sedej, Joe Michaels, A. H. Beckmann, L. M. Turnbull, Ann Noeth, F. G. Mrs. William Bentley and Mrs. Ray Williamson were guests.

VALENTINE SETTING FOR CLUB AT SMITH HOME
Mrs. Diane Smith, 2508 Stratford Lane, was hostess Wednesday evening for her card club.

The group had chosen to play Yahtzee instead of its usual game, canasta. Those winning prizes were Mrs. Carol Delaney, first; Mrs. Linda Chapman, second; and Mrs. Sandy Pinkie, third.

A late lunch was served in a Valentine setting to a guest, Mrs. Marsha Bushue, and Mesdames Brenda Penner, Pam Medlin, Sally Basarich and Carolyn Kuzma as well as those previously named.

Next month, the club will meet in the home of Mrs. Delaney of Route Two.

TACOS DEMONSTRATION
Mrs. Bennie Valencia, 2308 Paul street, entertained her social club Thursday evening, Feb. 11, in preparation of a Valentine theme. Candles in heart-shaped holders were used as the centerpiece.

Cards were played, after which Mrs. Valencia gave a lesson in the preparation of tacos. A lunch was served to Mesdames Janet Richter, Beth Brown, Donna Jenkins, Betty Enley, Ruth Bushue, Mary Ann Jeffries, Wanda Rousseau, Connie Cornelison and a guest, Mrs. Sandy Ambuhl.

At a surprise, Mrs. Richter was picked as the group's Valentine queen and was presented with a doll trophy.

The members and their husbands will go to Breeze, Ill., for dinner and dancing on a Satur-

day night in March. The next meeting will be at the home of Mrs. Bushue, with the date still to be set.

CHURCH QUILTERS MEET

The Nameoki Unit Methodist Quilting Ladies met Wednesday at the church for a quilting session. Mrs. Virginia Daniels, who was celebrating her birthday, received a gift and a cake from her secret pal.

Regular quilters present were Mesdames Lucille Russell, Gladys Russell, Ruth Gibbs, Vivian Guika, Viola Thornberry and Evelyn Briggs. Mrs. Thelma Presswood was absent.

TROOP TOURS CITY HALL

Brownie Troop 387 was given a tour of the city hall Thursday afternoon by Lieut. Kenneth W. Watts. The girls visited the office of the mayor, chief of police and tax collector.

Mrs. Donna Hogan, leader, and Mrs. Betty Sappington, co-leader, were assisted on the outing by Mrs. Loretta Kennealy and Mrs. Beverly Crown.

Troop members who received a treat from the mayor upon completion of the tour were Pamela Burnett, Mary Klysheff, Maureen Hogan, Terri Sappington, Peggy Adams, and Cathy Crown and Carol Gaud.

The tour was in lieu of a Saturday meeting. Next Brownie meeting will be at Mrs. Hogan's home Feb. 15.

PLAN VALENTINE PARTY

Girl Scout Troop 313 met at Parkview school Thursday afternoon under the direction of the leaders, Mrs. Mary J. Mothershead and Mrs. Paulette Bell.

Patrol Two opened the meeting with the flag pledge and the girls sang "My Country 'Tis of Thee" in unison.

Plans were formulated for a Valentine party to be held Thursday. The girls are to bring decorated Valentine boxes and will exchange cards.

Booklets on flag etiquette and Girl Scout cookie order forms were distributed, and Mesdames Myrtle Hickman, Eva Sheppard, Justina Rosenberg and Hazel Rollins.

Mrs. Strain has invited the club to her home, 2108 Manley avenue, Feb. 20.

JUNIOR GIRL SCOUTS TO TOUR ART MUSEUM
Junior Girl Scout Troop 158 met with its leaders, Mrs. Mary J. Mothershead and Mrs. Paulette Bell, Thursday afternoon at Maryville school.

The meeting was opened by Mrs. Mothershead. The girls recited the pledge of allegiance and the Girl Scout promise.

Cheryl Smith gave a report on the Cadette planning committee. Cookie order forms were completed for a trip to the St. Louis City Art Museum Feb. 12.

Terry Glendening was presented with a World Association pin and "troop camper" badge. Carolyn Gorfine received badges for housekeeping, troop camper and sign of the arrow, and her World Association pin.

Kim Hall gave a report on her collection of hand-made craft articles.

Valentine's Day will be celebrated the next meeting, with everyone exchanging personalized hand-made Valentine cards.

Other scouts attending were Becky Flannigan, Kim Hall, Lorraine Patton, Pam Rickert, Dorothy Miller, Debbie Mason, Kathy Shemwell, Pauline Morrow, Daisy Lengston and Tamara Mertz.

CERTIFICATE

I, Ben Campbell, Clerk of the East Side Levee and Sanitary District, of St. Clair and Madison Counties, Illinois, do hereby certify that the above and foregoing is a true and correct copy of Ordinance Number 706, entitled "An Ordinance Concerning the Budget and Annual Appropriation to defray the necessary expenses and liabilities of the East Side Levee and Sanitary District of St. Clair and Madison Counties, Illinois for the fiscal year 1969, beginning January 1, 1969 and ending December 31, 1969," that said Budget and Appropriation Ordinance was prepared in tentative form and filed in my office on January 8, 1969, and was available for public inspection for at least thirty days prior to action thereon, notice and hearing was published in the Metro-East Journal and the Granite City Press-Record more than seven days prior to the time of such hearing and copies of the said Ordinance were distributed to the Board of Trustees at a Special Meeting of said Board on February 7, 1969, and thereafter on the same date, said Ordinance was signed and approved by the President of the East Side Levee and Sanitary District.

I do further certify that as said Clerk of said District, I am the custodian of the records and files of said East Side Levee and Sanitary District and that the original Ordinance Number 706 is now on file in my office.

WITNESS, my hand and the Corporate Seal of the East Side Levee and Sanitary District, this 7th day of February, 1969.

Partney Relates City's Progress In Monthly Report

In a pre-election report to the citizens of Granite City Mayor Donald Partney reviews the city's progress during the past four years, with emphasis on his belief that a municipal government should live within its income.

Text of his monthly report to citizens, issued the second week of each month when there is no council session, follows:

"I was elected mayor in April 1965 and promised the citizens that I would be a full-time mayor. I elected, I spent 20 to 30 hours per week in this capacity."

"I keep in very close contact with the city's finances, having the belief, as a taxpayer, to stay within our income without any red ink spending."

"We all know that in municipal government today, it is almost impossible to operate without state and federal funds. I have made it my business to bring back to our city as many of these funds as I possibly could for improvements without a direct taxation to our taxpayers, using our money budgeted for the necessary services."

Fund Grants
"Under this administration we have received:

"A \$15 million federal grant for sewage - sanitary sewer and separation of storm water and sanitary sewers."

"\$423,285 for a Sewage Treatment Plant."

"\$1,400,000 in federal and state funds for Nameoki road."

"\$405,892 in Motor Fuel Tax funds from the state for widening and paving Johnson road from Carlson to Franklin. We hope to finish the balance of this street this coming summer."

"\$1,500,000 for low-rent housing for the aged."

"This is a total return to the city of \$9,068,025 of federal, state and county monies for city improvements."

"This has kept our construction workers working for the past three years."

Earn Interest
"Of these monies, we have placed them on time deposits in the banks and have received \$186,795 interest from May 1965 through December 1968."

"Our city is one of the very few municipalities in the state that is in good financial condition. One that has exercised thrift and good business."

"To the average citizen, city government is measured in terms of the service he receives. If rubbish is collected regularly without being strewn in the streets; and the police and fire departments are efficient-then, 'City Hall' is doing its job."

"Our police department has been upgraded by schooling in general police work. We have purchased new automobiles each year for patrolling. We have set up patrol districts for better police protection. We

placed two female secretaries in the department in order to relieve policemen for outside duty."

"We received a new aerial fire truck from Granite City Steel Co. without using tax monies, and added three men to the department."

"We started operation of our sewage treatment plant with the lowest sewage rate in the state of Illinois."

"We received the authorization by the Federal Communications Commission to install and operate two-way radio mobile equipment. This frequency is shared by our police and fire departments, civil defense, the police departments of surrounding cities, St. Elizabeth Hospital, some doctors' automobiles and ambulances. These radio communications are used for the handling of emergencies and alerts the hospital and doctors of any special requirements that arise in connection with accidents and disasters. I understand this system has saved a number of lives."

Old Cemetery Cleaned
"We modernized the ten acre site of the Venice Methodist Episcopal Cemetery and the Catholic Cemetery, lying in the eastern part of Granite City, adjacent to Kirkpatrick Homes."

"Removal of the old post office downtown. This site is now a spot of beauty with our Civic Park provided by the park board."

"This community, like others throughout the nation, has an obligation to its youth. This is an obligation that this administration is more than happy to fulfill. Our city employed 61 of these youths last summer, paid by the federal government at \$1.25 per hour. These young people did a tremendous job. These jobs must be directed to those who must work, regardless of age. This need is great. These boys and girls in particular, should be able to earn an income and through a better education, prepare for a better job future. In this way only, will the cycle of poverty and misunderstanding in the nation be finally broken."

"If the voters in Granite City on Feb. 11 decide that they

want to retain me as their Mayor, then these types of programs will be carried out by the city council for six years."

"We will continue to reduce air pollution as we, under this administration, have reduced it 44%."

"We will continue to work to re-vitalize the downtown area."

"We will continue to work with the federal government, state highway department and the Army to provide overpasses over our railroad crossings."

"My opponents expect to be elected on unity and harmony in the city council. This would be very nice and it can be done for a short period of time, up until the time that the demands become so great that it becomes necessary to deny them, then there becomes conflict."

"An experienced community leader knows that he must contend with counterforces between those who deliberately develop conflict as a battleground for hatreds and greeds as well as those to whom conflict is a healthy challenge for betterment. Under my administration, we have used conflict to build creativity rather than destroy. With the many improvements in our city under my administration, this is a proven fact that community conflict can be creative."

"One of my opponents says:

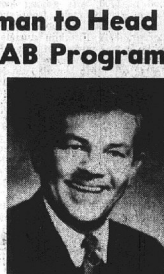

J. W. Rendleman to Head 1969 Area NAB Program

John S. Rendleman, chancellor of Southern Illinois University-Southwestern campus, has been appointed Illinois area vice-chairman for the St. Louis National Alliance of Businessmen, a program for the training and hiring of the hard-core unemployed, it was announced Friday.

Rendleman will head the 1969 NAB program in the Illinois area of the St. Louis metropolitan region, according to John Fox, metropolitan area chairman who announced the appointment.

The Alliance is a 50-city partnership between industry and government which serves as a link between private employers and a federal program known as "Job Opportunities in the Business Sector (JOBS)." Rendleman succeeds W. Ashley Gray Jr., president of General Steel Industries, Inc., who served as the Illinois area vice-chairman in 1968.

Rendleman has been chancellor at SIU-SW since the university system was reorganized last year to provide chief executives at both the Carbondale and Southwestern campuses. Prior to becoming chancellor he was vice-president for business affairs of SIU-SW.

W. E. Schellenger Predicts 10,000 To Vote Tomorrow

Waldo E. "Ernie" Schellenger, candidate for mayor in tomorrow's primary election, disagreed today with predictions that only 6000 to 8000 voters will go to the polls and said he expects a vote in excess of 10,000 will be cast.

Schellenger said:

"Most of the talk about a light turnout in tomorrow's election comes from those people who are not in a position to really know what is going on in the precincts and in various parts of our city. It is difficult to sit at a table in one of our local restaurants, over a cup of coffee, and predict the outcome of this election or the number of votes that may be cast."

"Contrary to those who would prefer a light vote, there is a sufficient number of citizens who are aware that they must take time out Tuesday if they want to elect the candidate of their choice."

"I feel certain that this particular class of people will not let the minority elect their candidate by failing to register for voter apathy that are de-

signed to still the existing interest in this election.

"The time has come for a return of harmony to our city council and the restoration of dignity to the office of mayor. There are other issues in this election, but I feel that the majority of our people feel that harmony and dignity leads all the rest. I believe that those people in Granite City who are cognizant of the value of harmony at our city council are great enough in number to elect the next mayor."

"I believe that they will go to the polls Tuesday whether it rains or snows. I feel that this particular class of people agree that the office of mayor cannot be bought, that it must be earned. It is for this reason that I predict a good turnout; a turnout that will exceed 10,000 votes."

Calvo Seeks Tax Relief For Older Residents

State Rep. Horace L. Calvo of Granite City has introduced a bill to the Illinois General Assembly to give property tax relief to persons aged 65 and over.

"My suggested amendment will exempt the first \$6000 of assessed real property and the first \$2000 of assessed personal property from taxation," Calvo said.

"It is essential that we give some kind of tax relief to our older citizens. They have paid taxes all their lives to support the community, and on retirement incomes they simply cannot afford to continue paying the same rates," he said.

Meanwhile Calvo was named to a committee on crime and justice, one of various task forces created by the Democratic legislative leadership to develop positions on issues. Leiland Kennedy of Alton was appointed to a committee on economic resources.
